**Background**

The Secretary of Transportation (Secretary) is authorized to register motor carriers under the provisions of 49 U.S.C. 13902; freight forwarders under the provisions of 49 U.S.C. 13903; and property brokers under provisions of 49 U.S.C. 13904. These persons may conduct transportation services only if they are registered pursuant to 49 U.S.C. 13901. The Secretary delegated authority pertaining to these registration requirements to FMCSA in 49 Code of Federal Regulations (CFR) 1.87(a)(5).

Registered motor carriers, brokers and freight forwarders must designate an agent on whom service of notices in proceedings before the Secretary may be made (49 U.S.C. 13303). Registered motor carriers must also designate an agent for every State in which they operate and traverse in the United States during such operations, on whom process issued by a court may be served in actions brought against the registered motor carrier (49 U.S.C. 13304, 49 CFR 366.4T). Every broker shall make a designation for each State in which its offices are located or in which contracts are written (49 U.S.C. 13304, § 366.4T). Regulations governing the designation of process agents are found at 49 CFR part 366. This designation is filed with FMCSA on Form BOC–3, “Designation of Agents for Service of Process.” For this renewal, the program’s annual burden hours increased from 3,448 to 18,503. This is due to an updated estimate of the number of respondents and responses.

*Title:* Designation of Agents, Motor Carriers, Brokers and Freight Forwarders.

*OMB Control Number:* 2126–0015.

*Type of Request:* Renewal of a currently approved information collection.

*Respondents:* Motor carriers, freight forwarders and brokers.

*Estimated Number of Respondents:* 110,799.

*Estimated Time per Response:* 10 minutes, or 0.167 hours.

*Expiration Date:* April 30, 2026.

*Frequency of Response:* On occasion. Form BOC–3 must be filed by all motor carriers, freight forwarders, and brokers when the transportation entity first registers with FMCSA. All brokers must make a designation for each State in which it has an office or in which contracts are written. Subsequent filings are made only if the motor carrier, broker, or freight forwarder changes

process agents or begins operating in a new State.

*Estimated Total Annual Burden:* 18,503.

*Public Comments Invited:* You are asked to comment on any aspect of this information collection, including: (1) whether the proposed collection is necessary for the performance of FMCSA’s functions; (2) the accuracy of the estimated burden; (3) ways for FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information. The Agency will summarize or include your comments in the request for OMB’s clearance of this ICR.
