### Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

Commerce is issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213 and 19 CFR 351.221(b)(4).

#### Hardwood and Decorative Plywood From the People's Republic of China, Indonesia, and the Socialist Republic of Vietnam: Postponement of Preliminary Determinations in the Less-Than-Fair-Value Investigations

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable November 18, 2025.

**FOR FURTHER INFORMATION CONTACT:** Theodora Mattei at (202) 482-4834 (People's Republic of China (China)), Joy Zhang at (202) 482-1168 (Indonesia), and John Frye at (202) 482-3035 (Socialist Republic of Vietnam (Vietnam)), AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On June 11, 2025, the U.S. Department of Commerce (Commerce) initiated less-than-fair-value (LTFV) investigations of imports of hardwood and decorative plywood from China, Indonesia, and Vietnam.<sup>1</sup> Currently, the

<sup>1</sup> See *Hardwood and Decorative Plywood from the People's Republic of China, Indonesia, and the Socialist Republic of Vietnam: Initiation of Less-*

preliminary determinations are due no later than October 29, 2025.

### Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner<sup>2</sup> makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On September 19, 2025, the petitioner submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.<sup>3</sup> The petitioner stated that it requested postponement because "these investigations cover hardwood and decorative plywood from multiple countries, and thus require a significant amount of resources to fully investigate."<sup>4</sup> The petitioner also stated that "{Commerce} only recently received responses to the initial questionnaires in these investigations. Accordingly, {a postponement of the preliminary determinations} would allow {the petitioner's} counsel and other interested parties sufficient time to analyze respondents' questionnaire responses and provide comments on those responses. In addition, it would allow {Commerce} to issue supplemental questionnaires and receive responses prior to {the preliminary determinations}."<sup>5</sup>

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in
