

II. Compliance Submissions for Approved Competitive Application Projects at AHP Subsidy Disbursement

FHFA estimates that Bank members, on behalf of project sponsors, will make an annual average of 325 submissions to the Banks documenting that projects approved under the Banks' competitive application programs continue to comply with the AHP regulatory eligibility requirements and all commitments made in the approved AHP applications at the time each AHP subsidy is disbursed to the project sponsors, and that the average preparation time for each submission will be 1 hour. The estimate for the total annual hour burden on members and project sponsors in connection with the preparation and submission of these compliance submissions is, therefore, 325 hours (325 submissions \times 1 hour).

III. Modification Requests for Approved Competitive Application Projects

FHFA estimates that Bank members, on behalf of project sponsors, will submit to the Banks an annual average of 299 requests for modifications to projects that have been approved under the Banks' competitive application programs, and that the average preparation time for each request will be 2.5 hours. The estimate for the total annual hour burden on members and project sponsors in connection with the preparation and submission of these modification requests, therefore, is 748 hours (299 requests \times 2.5 hours).

IV. Initial Monitoring Submissions for Approved Competitive Application Projects

FHFA estimates that project sponsors will make an annual average of 249 submissions of documentation to the Banks for purposes of the Banks' initial monitoring of in-progress and recently completed projects approved under their competitive application programs, and that the average preparation time for each submission will be 5 hours. The estimate for the total annual hour burden on project sponsors in connection with the preparation and submission of documentation required for initial monitoring of competitive application projects is, therefore, 1,245 hours (249 submissions \times 5 hours).

V. Long-Term Monitoring Submissions for Completed Competitive Application Rental Projects

FHFA estimates that project sponsors will make an annual average of 2,989 submissions of documentation to the Banks for purposes of the Banks' long-term monitoring of completed rental projects approved under their

competitive application programs, and that the average preparation time for each submission will be 3 hours. The estimate for the total annual hour burden on project sponsors in connection with the preparation and submission of documentation required for long-term monitoring of completed competitive application rental projects is, therefore, 8,967 hours (2,989 submissions \times 3 hours).

VI. Homeownership Set-Aside Program Applications and Certifications

FHFA estimates that Bank members will submit to the Banks an annual average of 13,455 applications and required certifications for AHP direct subsidies under the Banks' homeownership set-aside programs, and that the average preparation time for those submissions will be 5 hours. The estimate for the total annual hour burden on members in connection with the preparation and submission of homeownership set-aside program applications and certifications is, therefore, 67,275 hours (13,455 applications/certifications \times 5 hours).

D. Public Comments Request

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on members and project sponsors, including through the use of automated collection techniques or other forms of information technology.
