Estructurales, S.A. de C.V. with the United States Section of the USMCA Secretariat, pursuant to USMCA Article 10.12. The USMCA Secretariat has assigned case number USA–MEX–2025–10.12–01 to this request. The Request for Panel Review was timely filed on October 2, 2025. Thus, the Request for Panel Review was docketed on November 13, 2025, upon the office resuming operations; as such, November 13, 2025, shall be considered the start date for the dispute. The dispute timeline has been determined based on this date.

There are established USMCA *Rules of Procedure for Article 10.12 (Binational Panel Reviews)*, which were adopted by the three governments for panels requested pursuant to Article 10.12(2) of USMCA which requires Requests for Panel Review to be published in accordance with Rule 40. The Rules provide that:  
(a) A Party or interested person may challenge the final determination in whole or in part by filing a Complaint in accordance with Rule 44 no later than 30 days after the filing of the first Request for Panel Review (due to the adjusted start date, the deadline for filing a Complaint is December 15, 2025);

(b) A Party, an investigating authority or other interested person who does not file a Complaint but who intends to participate in the panel review shall file a Notice of Appearance in accordance with Rule 45 no later than 45 days after the filing of the first Request for Panel Review (due to the adjusted start date, the deadline for filing a Notice of Appearance is December 29, 2025);

(c) The panel review will be limited to the allegations of error of fact or law, including challenges to the jurisdiction of the investigating authority, that are set out in the Complaints filed in the panel review and to the procedural and substantive defenses raised in the panel review.
