Abstract: The Office on Violence Against Women (OVW) administers the Demonstration Program on Trauma-Informed, Victim-Centered Training for Law Enforcement on Domestic Violence, Dating Violence, Sexual Assault, and Stalking (Abby Honold Program), which supports efforts to improve law enforcement’s response to allegations of domestic violence, dating violence, sexual assault, and stalking from the time of a victim’s initial report throughout the entire investigation, and to promote the efforts of law enforcement in improving the response to these crimes. The Abby Honold Program awards grants to law enforcement agencies to train officers to conduct trauma informed and victim-centered investigations, with the goal of incorporating trauma-informed techniques designed to prevent re-traumatization of the victim and to increase communication between victims and law enforcement as well as stakeholders in a coordinated community response. This program’s purpose is also to evaluate the

effectiveness of the training. Under this program, the eligible entities are State, territorial, local, and/or Tribal law enforcement agencies that investigate crimes involving sexual assault. OVW issued awards under this new grant program for the first time in Fiscal Year 2024, and OVW will use data from the proposed information collection to monitor grant-funded activities, qualitatively assess those activities and report to Congress on the effectiveness of grant-funded activities. Note that in Fiscal Year 2025, the Abby Honold Program only supported projects addressing responses to allegations of sexual assault.

Notice of Lodging of Proposed Consent Decree Under the Clean Water Act

On November 18, 2025, the Department of Justice lodged a proposed consent decree with the United States District Court for the Middle District of Pennsylvania in the lawsuit entitled *Lower Susquehanna Riverkeeper Association et al. v. Hanover Foods Corporation*, Civil Action No. 1:21-cv-01600-JPW.

This is a civil action initiated by the Lower Susquehanna Riverkeeper Association against Hanover Foods Corporation (“Hanover”), involving claims under the Clean Water Act (“CWA”) and The Pennsylvania Clean Streams Law (“PCSL”). The United States, on behalf of the U.S. Environmental Protection Agency, and the Commonwealth of Pennsylvania, Department of Environmental Protection (“PADEP”), were granted intervention in this case on October 1, 2025. The United States’ and PADEP’s complaint-in-intervention also brings claims under the CWA and the PCSL based on similar and overlapping alleged violations. These include violations of effluent limits, other discharge limitations, and operation and maintenance requirements in Hanover’s National Pollutant Discharge Elimination System

permit at its food-processing and canning facility in Hanover, York County, Pennsylvania. The complaint-in-intervention seeks civil penalties and injunctive relief for Hanover’s alleged violations.

The consent decree, which would resolve all plaintiffs’ claims, requires the Defendant to pay a \$1,150,000 civil penalty, which will be split evenly between the United States and PADEP. The Defendant has also agreed to implement measures to bring Hanover’s facility into compliance, improve its operational practices, and prevent future violations.

The publication of this notice opens a period for public comment on the consent decree. Comments should be addressed to the Acting Assistant Attorney General, Environment and Natural Resources Division, and should refer to *Lower Susquehanna Riverkeeper Association et al. v.
