

For the fees outlined in this notice, the statute clearly states that agencies should round inflation adjustments down to the nearest dollar or, in most cases, to the “next lowest multiple of \$10.” Consistent with the statute, when applicable, USCIS is rounding down to the next lowest multiple of \$10 increment rather than rounding to the nearest \$10 increment.

The methodology USCIS used ensures that fees keep pace with inflation as enacted by Congress in HR–1.<sup>5</sup>

### III. Effective Date and Implementation

USCIS will require the filing fees for FY 2026 established in this notice for any immigration benefit requests postmarked on or after January 1, 2026. Because of the time needed by DHS and USCIS to issue guidance on and operationalize the change in the required fees, and for the public to adapt their immigration benefit requests that are in process to the changes, requests postmarked on or after January 1, 2026 without the proper filing fee will be rejected. DHS has determined that the policy required by this Notice is the most equitable path forward to effectuate collection of HR–1 fees for FY 2026 as expeditiously as practicable for the fees administered by USCIS.<sup>6</sup> The initial HR–1 fees and subsequent inflation adjustments are required by law, but for additional clarity, DHS may codify the fees covered by this notice and annual adjustments in 8 CFR part 106 in a future rule.
