*Abstract:* The Drug Enforcement Administration (DEA) is a federal law enforcement agency charged with enforcing the controlled substances laws

and regulations of the United States. Its principal responsibilities include investigation and prosecution of major violators of controlled substances laws.

Because of the nature of DEA's mission, and its status as a law enforcement agency, past use of illegal drugs by potential employees presents special concerns, and therefore the agency evaluates a job applicant's illegal drug use and abuse during the application process. Executive Order 12564 is supported in the DEA Pre-Employment Drug Policy that a history of illegal drug use or abuse may be a disqualification for employment with DEA.

This amended form notifies job applicants of the DEA Pre-Employment Drug Policy and asks them to acknowledge their understanding of those requirements to move forward in the employment process.
