**DEPARTMENT OF HEALTH AND HUMAN SERVICES**

**Centers for Medicare & Medicaid Services**

[CMS–9163–N]

**Notice of Medicaid Information Sharing Between the Centers for Medicare & Medicaid Services and the Department of Homeland Security**

**AGENCY:** Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services (HHS).

**ACTION:** Notice.

**SUMMARY:** This notice announces that the Department of Health and Human Services (HHS), Centers for Medicare & Medicaid Services (CMS), will share certain information with the U.S. Department of Homeland Security (DHS), and its component agency, U.S. Immigration and Customs Enforcement consistent with federal laws requiring the provision of information to DHS.

**DATES:** This notice is applicable immediately.

**FOR FURTHER INFORMATION CONTACT:** The Center for Medicaid and CHIP Services at [CMCS@cms.hhs.gov](mailto:CMCS@cms.hhs.gov).

**SUPPLEMENTARY INFORMATION:**

**I. Background**

This notice provides information regarding the provision of certain information collected by the Department of Health and Human Services (HHS), Centers for Medicare & Medicaid Services (CMS), with U.S. Department of Homeland Security (DHS) and its component agency U.S. Immigration and Customs Enforcement (ICE). CMS partners with states to administer Medicaid. In doing so, CMS collects information regarding individuals for a variety of purposes related to administration, oversight, and program integrity. This notice applies to data collected by CMS in connection with its role in the Medicaid program.

CMS receives information related to immigration status because it is relevant to the Medicaid program. For example, under Medicaid, states are prohibited from claiming federal financial participation (FFP) for “medical assistance furnished to an alien who is not lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law.” Section 1903(v)(1) of the Social Security Act (the Act) (42 U.S.C. 1396b(v)(1)). The exception to this prohibition is that FFP can be paid if the care and services are “necessary for the treatment of an emergency medical

condition of the alien,” the alien otherwise meets the eligibility requirements for Medicaid, and the care and services are not related to an organ transplant procedure. Section 1903(v)(2) of the Act (42 U.S.C. 1396b(v)(2)).

Federal laws govern the collection, use, and disclosure of CMS information. Depending on the type of information, applicable laws may include the Privacy Act of 1974 (5 U.S.C. 552a), section 1106(a) of the Act (42 U.S.C. 1306(a)(1)) and CMS implementing regulations at 42 CFR part 401, subpart B, and other federal laws. In addition, CMS has established a robust privacy and security program (<https://security.cms.gov/topic/privacy>). CMS has previously stated on its website that the information regarding individuals that it collects will only be used for administration of its programs. *See, e.g.,* CMS, CMS Privacy Home Page, <https://www.cms.gov/about-cms/information-systems/privacy> (“To protect your privacy, we’ll tell you before we collect any personal information we need to run our health care programs, and only use it for that purpose.”). CMS also has stated on its website that it will not use immigration status for immigration enforcement purposes. *See* CMS, More information for immigrant households, <https://www.healthcare.gov/immigrants/immigrant-families/> (“We won’t use any immigration status you share with us for immigration enforcement purposes.”). This policy statement was made in the context of and in reliance on a 2013 ICE policy that stated that ICE would not use CMS data or information provided by individuals to obtain coverage for certain benefits under CMS programs as the basis for pursuing a civil immigration enforcement action. ICE has rescinded this policy.<sup>1</sup> *See* ICE Policy Memorandum 11066.2, Use of HHS Information and Rescission of ICE Policy Memorandum 11066.1, *Clarification of Existing Practices Related to Certain Health Care Information* (October 25, 2013, 2013 Policy Memorandum), (Oct. 27, 2025, ICE Policy Memorandum 11066.2).

**II. Legal Authority**

Several federal laws authorize CMS to make certain information available to

<sup>1</sup> ICE notes that it is currently precluded from using this information due to a Preliminary Injunction and it will proceed with this policy when the Preliminary Injunction is lifted. *See* ICE Policy Memorandum 11066.2, *see also California v. HHS*, No. 25–05536 (N.D. Cal. filed July 1, 2025). Under that same Preliminary Injunction, CMS is currently precluded from sharing certain Medicaid data with ICE for immigration enforcement purposes. Similarly, CMS will proceed with this policy when the Preliminary Injunction is lifted.
