

section 23A of the FRA and section 11 of the HOLA to authorize the OCC to exempt, by order, a transaction of a national bank or Federal savings association, respectively, from the affiliate transaction requirements of section 23A and section 11 of the HOLA if: (1) the OCC and the Board jointly find the exemption to be in the public interest and consistent with the purposes of section 23A or section 11, and (2) within 60 days of receiving notice of such finding, the Federal Deposit Insurance Corporation does not object in writing to the finding. Such objection would be based on a determination that the exemption presents an unacceptable risk to the Deposit Insurance Fund.⁶

Section 31.3(d) sets forth procedures that a national bank and Federal savings association must follow to request such exemptions. These procedures are modeled after the Board's procedures in Regulation W. A national bank or Federal savings association may request an exemption from the requirements of section 23A or section 11 of the HOLA, as applicable, and 12 CFR part 223 for a national bank or Federal savings association by submitting a written request to the Deputy Comptroller for Licensing with a copy to the appropriate Federal Reserve Bank. Such a request must:

(1) Describe in detail the transaction or relationship for which the national bank or Federal savings association seeks exemption;

(2) Explain why the OCC should exempt the transaction or relationship;

(3) Explain how the exemption would be in the public interest and consistent with the purposes of section 23A or section 11 of the HOLA, as applicable; and

(4) Explain why the exemption does not present an unacceptable risk to the Deposit Insurance Fund.
