Submissions sent via the U.S. Postal Service must be addressed to: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Room 1A, Washington, DC 20426. Submissions sent via any other carrier must be addressed to: Debbie-Anne A. Reese, Secretary, Federal Energy

Regulatory Commission, 12225 Wilkins Avenue, Rockville, MD 20852. The first page of any filing should include the docket number P-2232-929. Comments emailed to Commission staff are not considered part of the Commission record.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

l. *Description of Request:* The licensee proposes to amend the requirement to provide primitive camping at the Upper Lookout Shoals Access Area and instead provide a walking and picnic trail. The licensee would continue to provide a 1-lane boat ramp with a courtesy dock, parking, and a vault toilet. The licensee also proposes to extend the completion date for the Mountain Island Dam Canoe Portage enhancements from within 10 years of approval of the Recreation Management Plan to within 15 years, and to modify the requirement for two fishing platforms at Mountain Island Tailrace Fishing and Mountain Island River Park to remove one fishing platform and extend the second fishing platform to accommodate necessary seismic stability improvements at the Mountain Island Development.

m. *Locations of the Application:* This filing may be viewed on the Commission's website at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via email of new filings and issuances related to this or other pending projects. For assistance, call 1-866-208-3676 or email FERCOnlineSupport@ferc.gov, for TTY, call (202) 502-8659. Agencies may obtain copies of the application directly from the applicant.

n. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

o. *Comments, Protests, or Motions to Intervene:* Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214, respectively. In determining the

appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

p. *Filing and Service of Documents:* Any filing must (1) bear in all capital letters the title "COMMENTS", "PROTEST", or "MOTION TO INTERVENE" as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person commenting, protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis. Any filing made by an intervenor must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 385.2010.

q. For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, contact the Office of Public Participation at (202) 502-6595 or *OPP@ferc.gov*.

m. *Description of Request:* On July 25, 2025, Pacific Gas and Electric Company (PG&E) filed a surrender application, in which it proposes to surrender and decommission the Potter Valley Project. As a condition of surrender, PG&E also requests the Commission approve its application for non-project use of project lands, which would allow the Eel-Russian Project Authority (ERPA) to construct a New Eel-Russian Facility (NERF) on project lands. This NERF would allow for the continued diversion of flows from the Eel River watershed to the Russian River watershed via certain project works post-surrender.

Specifically, PG&E proposes to: (1) decommission and remove Scott Dam and its associated facilities; (2) remove licensed recreational facilities (e.g., campgrounds, day-use facilities, kiosk, and boat ramps) and restore associated U.S. Forest Service (Forest Service) and PG&E lands; (3) decommission and remove Cape Horn Dam and its associated facilities and features, except for those necessary for the NERF; (4) remove NERF facilities and lands from the existing license; and (5) restore the remnant inundation zone of Lake Pillsbury reservoir and Van Arsdale Reservoir, including adjacent riparian, wetlands, and upland areas affected by decommissioning the project as proposed.
