

CMV if that person first perceives a forced whispered voice in the better ear at not less than 5 feet with or without the use of a hearing aid or, if tested by use of an audiometric device, does not have an average hearing loss in the better ear greater than 40 decibels at 500 Hz, 1,000 Hz, and 2,000 Hz with or without a hearing aid when the audiometric device is calibrated to American National Standard (formerly ASA Standard) Z24.5—1951.

This standard was adopted in 1970 and was revised in 1971 to allow drivers to be qualified under this standard while wearing a hearing aid, (35 FR 6458, 6463 (Apr. 22, 1970) and 36 FR 12857 (July 8, 1971)).

The 18 individuals listed in this notice have requested renewal of their exemptions from the hearing standard in § 391.41(b)(11), in accordance with FMCSA procedures. Accordingly, FMCSA has evaluated these applications for renewal on their merits and decided to extend each exemption for a renewable 2-year period.

#### IV. Request for Comments

Interested parties or organizations possessing information that would otherwise show that any, or all, of these drivers are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315(b), FMCSA will take immediate steps to revoke the exemption of a driver.

#### V. Basis for Renewing Exemptions

In accordance with 49 U.S.C. 31136(e) and 31315(b), each of the 18 applicants have satisfied the renewal conditions for obtaining an exemption from the hearing requirement. The 18 drivers in this notice remain in good standing with the Agency. In addition, the Agency has reviewed each applicant's certified driving record from their State Driver's Licensing Agency (SDLA). The information obtained from each applicant's driving record provides the Agency with details regarding any moving violations or reported crash data, which demonstrates whether the driver has a safe driving history and is an indicator of future driving performance. If the driving record revealed a crash, FMCSA requested and reviewed the related police reports and other relevant documents, such as the citation and conviction information. These factors provide an adequate basis for predicting each driver's ability to

continue to safely operate a CMV in interstate commerce. Accordingly, FMCSA concludes that extending the exemption for each of these drivers for a period of 2 years is likely to achieve a level of safety equivalent to that existing without the exemption.

In accordance with 49 U.S.C. 31136(e) and 31315(b), the following groups of drivers received renewed exemptions in the month of July and are discussed below.

As of July 1, 2025, and in accordance with 49 U.S.C. 31136(e) and 31315(b), Tyjuan Davis (VA) has satisfied the renewal conditions for obtaining an exemption from the hearing requirement in the FMCSRs for interstate CMV drivers.

This driver was included in docket number FMCSA-FMCSA-2012-0154. The exemption was applicable as of July 1, 2025, and will expire on July 1, 2027.

As of July 30, 2025, and in accordance with 49 U.S.C. 31136(e) and 31315(b), the following 17 individuals have satisfied the renewal conditions for obtaining an exemption from the hearing requirement in the FMCSRs for interstate CMV drivers:

Selwyn Abrahamson (MN)  
Amin Ali (OH)  
Vicente Carreon (AZ)  
Daniel Cohen (VT)  
Elezar Contreras (IL)  
Stephen Goen (GA)  
Calvin Gousby (TX)  
Michael Hoyt (OR)  
Thomas Lipyanic (FL)  
Michael Loschen (MI)  
Ismail Muse (UT)  
Jonas Pittman (NC)  
Troy Rolland (TX)  
Sandy Sloat (ND)  
Jeffry Webber (OK)  
Richard Whittaker (FL)  
Rebecca Yeater (FL)

The drivers were included in docket number FMCSA-2014-0383, FMCSA-2014-0384, FMCSA-2017-0058, FMCSA-2018-0136, FMCSA-2018-0138, FMCSA-2020-0027, FMCSA-2021-0014, FMCSA-2022-0032, FMCSA-2022-0035, FMCSA-2023-0018, or FMCSA-2023-0020. Their exemptions were applicable as of July 30, 2025, and will expire on July 30, 2027.

#### VI. Terms and Conditions

The exemptions are extended subject to the following conditions: each driver (1) must report to FMCSA any crashes as defined in § 390.5T, within 7 days of the crash; (2) must report to FMCSA any citations and convictions for disqualifying offenses under 49 CFR parts 383 and 391, within 7 days of the

citation and conviction; (3) must submit to FMCSA annual certified driving records from their SDLA; and (4) is prohibited from operating a motorcoach or bus with passengers in interstate commerce. The driver must also have a copy of the exemption when driving, for presentation to a duly authorized Federal, State, or local enforcement official. In addition, the driver must meet all the applicable commercial driver's license testing requirements. Each exemption will be valid for 2 years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) the person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315(b).

#### VII. Preemption

During the period the exemption is in effect, no State shall enforce any law or regulation that conflicts with this exemption with respect to a person operating under the exemption.

#### VIII. Conclusion

Based upon its evaluation of the 18 exemption renewal applications, FMCSA renews the exemptions of the above-named drivers from the hearing requirement in § 391.41(b)(11). In accordance with 49 U.S.C. 31136(e) and 31315(b), and FMCSA's policy of issuing medical exemptions for a 2-year period to correspond with the medical certificate, each exemption will be valid for 2 years unless revoked earlier by FMCSA.

## DEPARTMENT OF TRANSPORTATION

### Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2025-0787]

### Agency Information Collection Activities; New Information Collection: Quantifying the Benefits of Creating New Truck Parking Spaces

**AGENCY:** Federal Motor Carrier Safety Administration (FMCSA), Department of Transportation (DOT).

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995,

FMCSA announces its plan to submit the Information Collection Request (ICR) described below to the Office of Management and Budget (OMB) for review and approval and invites public comment. This notice invites comments on a proposed information collection titled *Quantifying the Benefits of Creating New Truck Parking Spaces*. This research study will collect approximately 1,000 survey responses from truck drivers about their experiences with finding truck parking spaces to estimate the monetary benefits of creating new truck parking spaces.

**DATES:** Comments on this notice must be received on or before January 27, 2026.

**ADDRESSES:** You may submit comments identified by Docket Number FMCSA-2025-0787 using any of the following methods:

- **Federal eRulemaking Portal:** <https://www.regulations.gov>. Follow the online instructions for submitting comments.
- **Mail:** Dockets Operations; U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building, Ground Floor, Washington, DC 20590-0001.

• **Hand Delivery or Courier:** Dockets Operations, U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building, Ground Floor, Washington, DC 20590-0001 between 9 a.m. and 5 p.m. ET, Monday through Friday, except Federal holidays. To be sure someone is there to help you, please call (202) 366-9317 or (202) 366-9826 before visiting Dockets Operations.

• **Fax:** (202) 493-2251.

To avoid duplication, please use only one of these four methods. See the "Public Participation and Request for Comments" portion of the

**SUPPLEMENTARY INFORMATION** section for instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** Dan Britton, Office of Research and Registration, FMCSA, 1200 New Jersey Avenue SE, Washington, DC 20590-0001; (202) 366-9980; [dan.britton@dot.gov](mailto:dan.britton@dot.gov).

#### **SUPPLEMENTARY INFORMATION:**

##### **Instructions**

All submissions must include the Agency name and docket number. For detailed instructions on submitting comments, see the Public Participation heading below. Note that all comments received will be posted without change to <https://www.regulations.gov>, including any personal information provided. Please see the Privacy Act heading below.

#### **Public Participation and Request for Comments**

If you submit a comment, please include the docket number for this notice (FMCSA-2025-0787), indicate the specific section of this document to which your comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online or by fax, mail, or hand delivery, but please use only one of these means. FMCSA recommends that you include your name and a mailing address, an email address, or a phone number in the body of your document so FMCSA can contact you if there are questions regarding your submission.

To submit your comment online, go to <https://www.regulations.gov/docket/FMCSA-2025-0787/document>, click on this notice, click "Comment," and type your comment into the text box on the following screen.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing.

FMCSA will consider all comments and material received during the comment period.

#### **Privacy Act**

In accordance with 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its regulatory process. DOT posts these comments, including any personal information the commenter provides, to [www.regulations.gov](https://www.regulations.gov) as described in the system of records notice DOT/ALL 14 (Federal Docket Management System (FDMS)), which can be reviewed at <https://www.transportation.gov/individuals/privacy/privacy-act-system-records-notices>. The comments are posted without edits and are searchable by the name of the submitter.

#### **Background**

The nationwide shortage of truck parking spaces is a significant source of frustration for truck drivers, increasing expenses for the trucking industry and decreasing safety for all road users. The American Transportation Research Institute conducts an annual survey of trucking industry stakeholders (*Critical Issues in the Trucking Industry*), and the 2024 survey found that, for the second year in a row, the lack of available truck parking was the second highest industry concern overall, and the number one concern among truck drivers. The lack of truck parking often forces truck drivers to choose between violating federal hours-of-service laws and using unsafe, illegal parking spaces.

Many government, safety, and industry organizations are working to create more truck parking spaces, but there is a lack of research on the actual precise monetary benefits of new truck parking spaces. These benefits include decreasing carriers' costs, increasing drivers' well-being, and reducing the number of crashes. To help State and local policymakers make informed decisions about the construction of truck parking spaces, FMCSA is conducting a research study, titled *Quantifying the Benefits of Creating New Truck Parking Spaces*, which will survey truck drivers about their parking habits and experiences, gaining the exact information needed to quantify the benefits of new truck parking spaces.

Although researchers have conducted many other surveys on truck parking, none have reliably estimated the statistics needed, including how often and how long truck drivers (a) park in unauthorized spaces, (b) stop driving early to obtain a parking space, (c) drive off their routes to find parking, and (d) drive past hours-of-service limits to find parking. The results of this survey will be combined with related research to produce estimates of the benefits of creating new truck parking spaces in different areas, which could be beneficial to the many government and private organizations that decide where to build new truck parking spaces.

The main objective of this project is to estimate the benefits of new truck parking spaces, but the project will also answer four related research questions:

1. How many trucks are parked in authorized and unauthorized areas per day, on average? In other words, how large is the nationwide shortage of truck parking spaces?
2. What are the most cost-effective methods for increasing truck parking capacity?
3. Which truck parking information management systems are used most often and are most effective?
4. What percentage of drivers routinely make reservations, pay for parking, or use various other truck parking services?

Several thousand truck drivers, from a wide range of sectors, will be asked to complete the 25-minute online survey, with a goal of obtaining approximately 1,000 complete responses.

Title 23, United States Code (U.S.C.), Chapter 4, Section 403 authorizes the Secretary to use funds appropriated to carry out this section to conduct research and development activities, including demonstration projects and the collection and analysis of highway and motor vehicle safety data and

related information with respect to all aspects of highway and traffic safety systems and conditions relating to vehicle, highway, driver, passenger, motorcyclist, bicyclist, and pedestrian characteristics; accident causation and investigations; and human behavioral factors and their effect on highway and traffic safety, including driver education, impaired driving and distracted driving; and research on, evaluations of, and identification of best practices related to driver education programs (including driver education curricula, instructor training and certification, program administration, and delivery mechanisms) and make recommendations for harmonizing driver education and multistage graduated licensing systems; and the effect of State laws on any aspects, activities, or programs described in subparagraphs (A) through (E) (see 23 U.S.C. 403(b)(1)(A)(i)–(ii), 23 U.S.C. 403(b)(1)(B)(i)–(iii), 23 U.S.C. 403(b)(1)(E), 23 U.S.C. 403(b)(1)(F)).

**Title:** Quantifying Benefits of Truck Parking.

**OMB Control Number:** 2126–00XX.

**Type of Request:** New ICR.

**Respondents:** Commercial truck drivers.

**Estimated Number of Respondents:** 1,000.

**Estimated Time per Response:** 25 minutes.

**Expiration Date:** N/A. This is a new ICR.

**Frequency of Response:** Each survey participant will provide only one survey response.

**Estimated Total Annual Burden:** 416 hours (0.416 hours per response × 1,000 respondents) at an estimated cost of \$15,185.66 (\$15.19 per respondent × 1,000 respondents).

**Public Comments Invited:** You are asked to comment on any aspect of this information collection, including: (1) whether the proposed collection is necessary for the performance of FMCSA's functions; (2) the accuracy of the estimated burden; (3) ways for FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information. The Agency will summarize or include your comments in the request for OMB's clearance of this ICR.

Issued under the authority of 49 CFR 1.87.

**Jonathan Mueller,**

*Acting Associate Administrator, Office of Research and Registration.*

## DEPARTMENT OF TRANSPORTATION

### Federal Motor Carrier Safety Administration

**[Docket No. FMCSA-2014-0102; FMCSA-2014-0107; FMCSA-2014-0385; FMCSA-2021-0015; FMCSA-2022-0034; FMCSA-2022-0035; FMCSA-2022-0036; FMCSA-2023-0021]**

### Qualification of Drivers; Exemption Applications; Hearing

**AGENCY:** Federal Motor Carrier Safety Administration (FMCSA), Department of Transportation (DOT).

**ACTION:** Notice of renewal of exemptions; request for comments.

**SUMMARY:** FMCSA announces its decision to renew exemptions for 11 individuals from the hearing requirement in the Federal Motor Carrier Safety Regulations (FMCSRs) for interstate commercial motor vehicle (CMV) drivers. The exemptions enable these hard of hearing and deaf individuals to continue to operate CMVs in interstate commerce.

**DATES:** Each group of renewed exemptions were applicable on the dates stated in the discussions below and will expire on the dates provided below. Comments must be received on or before December 29, 2025.

**ADDRESSES:** You may submit comments identified by Docket No. FMCSA-2014-0102, FMCSA-2014-0107, FMCSA-2014-0385, FMCSA-2021-0015, FMCSA-2022-0034, FMCSA-2022-0035, FMCSA-2022-0036, or FMCSA-2023-0021, as appropriate, using any of the following methods:

- **Federal eRulemaking Portal:** Go to [www.regulations.gov](http://www.regulations.gov), insert the docket number (FMCSA-2014-0102, FMCSA-2014-0107, FMCSA-2014-0385, FMCSA-2021-0015, FMCSA-2022-0034, FMCSA-2022-0035, FMCSA-2022-0036, or FMCSA-2023-0021) in the keyword box and click “Search.” Next, sort the results by “Posted (Newer-Older),” choose the first notice listed, and click on the “Comment” button. Follow the online instructions for submitting comments.

- **Mail:** Dockets Operations; U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building Ground Floor, Washington, DC 20590-0001.

- **Hand Delivery:** West Building Ground Floor, 1200 New Jersey Avenue SE, Washington, DC 20590-0001, between 9 a.m. and 5 p.m. ET Monday through Friday, except Federal Holidays.

- **Fax:** (202) 493-2251.

To avoid duplication, please use only one of these four methods. See the “Public Participation” portion of the **SUPPLEMENTARY INFORMATION** section for instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** Ms. Evangelia Hollowell, Acting Chief, Medical Programs Division, FMCSA, DOT, 1200 New Jersey Avenue SE, Washington, DC 20590-0001, (202) 527-4750, [fmcsamedical@dot.gov](mailto:fmcsamedical@dot.gov). Office hours are 8:30 a.m. to 5 p.m. ET Monday through Friday, except Federal holidays. If you have questions regarding viewing or submitting material to the docket, contact Dockets Operations, (202) 366-9826.

### SUPPLEMENTARY INFORMATION:

#### I. Public Participation

##### A. Submitting Comments

If you submit a comment, please include the docket number for this notice (FMCSA-2014-0102, FMCSA-2014-0107, FMCSA-2014-0385, FMCSA-2021-0015, FMCSA-2022-0034, FMCSA-2022-0035, FMCSA-2022-0036, or FMCSA-2023-0021), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online or by fax, mail, or hand delivery, but please use only one of these means. FMCSA recommends that you include your name and a mailing address, an email address, or a phone number in the body of your document so that FMCSA can contact you if there are questions regarding your submission.

To submit your comment online, go to [www.regulations.gov](http://www.regulations.gov), insert the docket number (FMCSA-2014-0102, FMCSA-2014-0107, FMCSA-2014-0385, FMCSA-2021-0015, FMCSA-2022-0034, FMCSA-2022-0035, FMCSA-2022-0036, or FMCSA-2023-0021) in the keyword box and click “Search.” Next, sort the results by “Posted (Newer-Older),” choose the first notice listed, click the “Comment” button, and type your comment into the text box on the following screen. Choose whether you are submitting your comment as an individual or on behalf of a third party and then submit.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. FMCSA will consider all comments and material received during the comment period.
