

Need: 46 CFR parts 10–13 and 16 detail the requirements for the issuance of an MMC or Medical Certificate.

Forms:

- CG–718A, Certificate of Discharge to Merchant Mariner.
- CG–719B, Application for Merchant Mariner Credential.
- CG–719C, Disclosure Statement for Narcotics, DWI/DUI, and/or Other Convictions.
- CG–719D, Application for Duplicate Merchant Mariner Credential and Medical Certificate.
- CG–719K, Application for Medical Certificate.
- CG–719K/E, Application for Medical Certificate, Short Form.
- CG–719P, DOT/USCG Periodic Drug Testing Form.
- CG–719S, Small Vessel Sea Service Form.

Basis for the change to the Forms: The majority of changes to the forms in this collection are not associated with new statutory or regulatory authority, but rather improvements to the flow and quality of content, user functionality, and to aid the Coast Guard in processing applications. The forms have undergone significant reorganization in response to recommendations from the National Merchant Mariner Medical Advisory Committee (NMEDMAC), the National Merchant Marine Personnel Advisory Committee (NMERPAC), and comments from the public provided at the NMEDMAC and NMERPAC public meetings. As an example, the wording, location and specificity of form instructions were revised to provide better clarity and to improve ease of use. Key instructions are now located within the corresponding section of the form to reduce the need for mariner applicants to flip back and forth between pages to search for instructions. This improvement is also expected to reduce processing delays caused by submission of incomplete forms. Another improvement is that these forms will now provide an option for applicants to sign the forms using an electronic signature. Finally, additional language was added to Criminal Record Review section of the CG–719B to clarify that mariners must disclose all convictions, including convictions for boating safety crimes. Additionally, for applicants without convictions who have used or been addicted to dangerous drugs, the CG–719B form now provides a place for them to list the drugs used without having to fill out a CG–719C.

Basis for the change for the addition of Forms to this collection: First, the Coast Guard is proposing to add a new optional form, the CG–719D, to provide

a convenient option for individuals who want to request a duplicate merchant mariner credential or duplicate medical certificate. Second, the Coast Guard seeks comments on adding form CG–718A “Certificate of Discharge to Merchant Mariner” into this collection. Coast Guard personnel use form CG–718A to evaluate an applicant for an MMC. Form CG–718A was previously accounted for under OMB Control Number 1625–0012.

Respondents: Applicants for MMC, whether original, renewal, duplicate, raise of grade, or a new endorsement on a previously issued MMC. Applicants for Medical Certificates to include National and STCW credentialed mariners, and first-class pilots.

Frequency: On occasion.

Hour Burden Estimate: The estimated burden has decreased from 62,006 hours to 57,333 hours a year; due to a decrease in the estimated annual number of responses.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: November 26, 2025.
