DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

Customs Broker Permit User Fee Payment for 2026

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: General notice.

SUMMARY: This document provides notice to customs brokers that the annual user fee that is assessed for each permit held by a customs broker, whether an individual, partnership, association, or corporation, is due no later than January 30, 2026. Pursuant to fee adjustments required by the Fixing America's Surface Transportation Act (FAST Act) and the U.S. Customs and Border Protection (CBP) regulations, the customs broker permit user fee payable for calendar year 2026 will be \$185.38.

DATES: Payment of the 2026 Customs Broker Permit User Fee is due no later than January 30, 2026.

FOR FURTHER INFORMATION CONTACT: Mohammad O. Qureshi, Chief, Broker Management Branch, Office of Trade, (202) 909–3753, or mohammad.o.qureshi@cbp.dhs.gov.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to section 111.96 of title 19 of the Code of Federal Regulations (CFR) (19 CFR 111.96(c)), U.S. Customs and Border Protection (CBP) assesses an annual user fee for each customs broker permit granted to an individual, partnership, association, or corporation. The CBP regulations provide that this fee is payable each calendar year for a national permit held by a customs broker and must be paid by the due date published annually in the **Federal Register**. See 19 CFR 24.22(h) and (i); 19 CFR 111.96(c).

Section 24.22 of title 19 of the CFR (19 CFR 24.22) sets forth the terms and conditions for when fees for certain services, including specific customs user fees, are required. The specific customs user fee amounts that appear in 19 CFR 24.22 are not the actual fees but represent the base year amounts that are subject to adjustment each fiscal year in accordance with the Fixing America's Surface Transportation Act (FAST Act) (Pub. L. 114–94, December 4, 2015). Section 32201 of the FAST Act amended section 13031 of the Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 (19 U.S.C. 58c) by requiring the Secretary of the Treasury to adjust certain customs COBRA user fees and corresponding limitations to reflect certain increases in inflation. Paragraph (k) of section 24.22 of title 19 of the CFR (19 CFR 24.22(k)) sets forth the methodology to adjust fees for inflation and to determine the change in inflation, including the factor by which the fees and limitations will be adjusted, if necessary.

Customs brokers are subject to an annual customs broker permit user fee calculated using the base year amount in Appendix A to 19 CFR part 24, as adjusted by the terms in 19 CFR 24.22(k). See 19 U.S.C. 58c(a)(7) and 19 CFR 24.22(h). In accordance with 19 CFR 24.22, CBP determines annually whether an adjustment to the fees and limitations is necessary and publishes a **Federal Register** notice specifying the amount of the fees and limitations for each fiscal year. On July 23, 2025, CBP published a **Federal Register** notice, entitled Customs User Fees To Be Adjusted for Inflation in Fiscal Year 2026 (CBP Decision 25–10), which announced, among other fee adjustments, that the annual customs broker permit user fee will increase to \$185.38 for calendar year 2026. See 90 FR 34665.

Thus, as required by 19 CFR 24.22, CBP provided notice in the **Federal Register** of the annual fee amount at least 60 days prior to the date that the payment is due for each customs broker national permit. This document notifies customs brokers that, for calendar year 2026, the due date for payment of the annual customs broker permit user fee is January 30, 2026. If a customs broker fails to pay the annual customs broker permit user fee by January 30, 2026, the national permit is revoked by operation of law. See 19 CFR 111.45(b) and 111.96(c).

Customs brokers may either submit the fee through the eCBP portal or submit the fee at the processing Center, as defined in 19 CFR 111.1, in accordance with the remittance

procedures in 19 CFR 24.22(i). CBP encourages customs brokers to pay the annual customs broker permit user fee electronically via the eCBP portal, located at <https://e.cbp.dhs.gov/brokers/#/home>. Customs brokers who are first time users of the eCBP portal must create a *Login.gov* account. Instructions and training resources, such as user and quick reference guides, for customs brokers on how to create a *Login.gov* account and how to use the eCBP portal can be found on CBP's website at <https://www.cbp.gov/trade/eCBP>.

¹ The record is defined in § 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² 90 FR 42187, 42189, 42194, 42198, 42200, 42204, 42207, 42210, 42213, 42216, 42219, 42223, 42226, and 42229 (August 29, 2025).

Background

The Commission instituted these investigations effective September 5, 2024, following receipt of petitions filed with the Commission and Commerce by Steel Dynamics, Inc., Fort Wayne, Indiana; Nucor Corporation, Charlotte, North Carolina; United States Steel Corporation, Pittsburgh, Pennsylvania; Wheeling-Nippon Steel, Inc., Follansbee, West Virginia; and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, AFL–CIO, CLC, Washington, DC. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of corrosion-resistant steel products from Brazil, Canada, Mexico, and Vietnam were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and that imports of corrosion-resistant steel products from Australia, Brazil, Canada, Mexico, Netherlands, South Africa, Taiwan, Turkey, United Arab Emirates, and Vietnam were sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** on May 8, 2025 (90 FR 19529).⁴ The Commission conducted its hearing on August 12, 2025. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on November 28, 2025. The views of the Commission are contained in USITC Publication 5678 (November 2025), entitled *Corrosion-Resistant Steel Products from Australia, Brazil, Canada, Mexico, Netherlands, South Africa, Taiwan, Turkey, United Arab Emirates, and Vietnam*:

³ The Commission also finds that imports subject to Commerce's affirmative critical circumstances determination on South Africa are not likely to undermine seriously the remedial effect of the antidumping duty order on corrosion-resistant steel products from South Africa.

⁴ Due to the lapse in appropriations and ensuing cessation of government operations, all import injury investigations conducted under authority of Title VII of the Tariff Act of 1930 have been tolled pursuant to 19 U.S.C. 1671d(b)(2) and 1673d(b)(2).

Investigation Nos. 701–TA–733–736 and 731–TA–1702–1711 (Final).

By order of the Commission.
