

*Review Under E.O.s 14154, 14192, 14215, and 14300*

The NRC has examined this proposed rule and has determined that it is consistent with the policies and directives outlined in E.O. 14154, “Unleashing American Energy,” E.O. 14192, “Unleashing Prosperity Through Deregulation,” E.O. 14215 “Ensuring Accountability for All Agencies,” and E.O. 14300, “Ordering the Reform of the Nuclear Regulatory Commission.” This proposed rule is considered an E.O. 14192 deregulatory action.

Dated: November 13, 2025.

For the Nuclear Regulatory Commission.

**Michael King,**

*Acting Executive Director for Operations.*

## FEDERAL TRADE COMMISSION

### 16 CFR Part 425

[File No. R607000]

#### **Petition for Rulemaking of Consumer Federation of America and the American Economic Liberties Project**

**AGENCY:** Federal Trade Commission.

**ACTION:** Receipt of petition; request for comment.

**SUMMARY:** Please take notice that the Federal Trade Commission (“Commission”) received a petition for rulemaking from Consumer Federation of America and the American Economic Liberties Project and has published that petition online at <https://www.regulations.gov>. The Commission invites written comments concerning the petition. Publication of this petition is pursuant to the Commission’s Rules of Practice and Procedure and does not affect the legal status of the petition or its final disposition.

**DATES:** Comments must identify the petition docket number and be filed by January 2, 2026.

**ADDRESSES:** You may view the petition, identified by docket number FTC–2025–0792, and submit written comments concerning its merits by using the Federal eRulemaking Portal at <https://www.regulations.gov>. Follow the online instructions for submitting comments. Do not submit sensitive or confidential information. You may read background documents or comments received at <https://www.regulations.gov> at any time.

**FOR FURTHER INFORMATION CONTACT:** Office of the Secretary (phone: 202–326–2514, email: [ElectronicFilings@ftc.gov](mailto:ElectronicFilings@ftc.gov)), Federal Trade Commission, 600

Pennsylvania Avenue NW, Washington, DC 20580.

**SUPPLEMENTARY INFORMATION:** Pursuant to section 18(a)(1)(B) of the Federal Trade Commission Act, 15 U.S.C. 57a(1)(B), and FTC Rule 1.31(f), 16 CFR 1.31(f), notice is hereby given that the above-captioned petition has been filed with the Secretary of the Commission and has been placed on the public record for a period of 30 days. Any person may submit comments in support of or in opposition to the petition. All timely and responsive comments submitted in connection with this petition will become part of the public record.

This petition requests to renew the FTC’s trade regulation rulemaking concerning the use of negative option plans. The Commission will not consider the petition’s merits until after the comment period closes. It may grant or deny the petition in whole or in part, and it may deem the petition insufficient to warrant commencement of a rulemaking proceeding. The purpose of this document is to facilitate public comment on the petition to aid the Commission in determining what, if any, action to take regarding the request contained in the petition. This document is not intended to start, stop, cancel, or otherwise affect rulemaking proceedings in any way.

Because your comment will be placed on the publicly accessible website at <https://www.regulations.gov>, you are solely responsible for making sure your comment does not include any sensitive or confidential information. In particular, your comment should not include any sensitive personal information, such as your or anyone else’s Social Security number; date of birth; driver’s license number or other state identification number, or foreign country equivalent; passport number; financial account number; or credit or debit card number. You are also solely responsible for making sure your comment does not include any sensitive health information, such as medical records or other individually identifiable health information. In addition, your comment should not include any “trade secret or any commercial or financial information which . . . is privileged or confidential”—as provided by section 6(f) of the FTC Act, 15 U.S.C. 46(f), and FTC Rule 4.10(a)(2), 16 CFR 4.10(a)(2).

(Authority: 15 U.S.C. 46; 15 U.S.C. 57a; 5 U.S.C. 601 note)

**April J. Tabor,**

*Secretary.*

## CONSUMER PRODUCT SAFETY COMMISSION

### 16 CFR Part 1241

[Docket No. CPSC–2020–0023]

#### **Notice of Availability and Request for Comment: Revision to the Voluntary Standard for Crib Mattresses**

**AGENCY:** Consumer Product Safety Commission.

**ACTION:** Notice of availability and request for comment.

**SUMMARY:** The U.S. Consumer Product Safety Commission’s (Commission or CPSC) mandatory rule, Safety Standard for Crib Mattresses, incorporates by reference ASTM F2933–21, Standard Consumer Safety Specification for Crib Mattresses. ASTM notified the Commission that it has revised this incorporated voluntary standard. CPSC seeks comment on whether the revision improves the safety of crib mattresses. **DATES:** Comments must be received by December 17, 2025.

**ADDRESSES:** You can submit comments, identified by Docket No. CPSC–2020–0023, by any of the following methods:

*Electronic Submissions:* Submit electronic comments to the Federal eRulemaking Portal at: <https://www.regulations.gov>. Follow the instructions for submitting comments. Do not submit through this website: confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. CPSC typically does not accept comments submitted by email, except as described below.

*Mail/Hand Delivery/Courier/Confidential Written Submissions:* CPSC encourages you to submit electronic comments by using the Federal eRulemaking Portal. You may, however, submit comments by mail, hand delivery, or courier to: Office of the Secretary, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; telephone: (301) 504–7479. If you wish to submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public, you may submit such comments by mail,

hand delivery, or courier, or you may email them to: [cpsc-os@cpsc.gov](mailto:cpsc-os@cpsc.gov).

**Instructions:** All submissions must include the agency name and docket number. CPSC may post all comments without change, including any personal identifiers, contact information, or other personal information provided, to: <https://www.regulations.gov>. Do not submit to this website: confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. If you wish to submit such information, please submit it according to the instructions for mail/hand delivery/courier/confidential written submissions.

**Docket:** For access to the docket to read background documents or comments received, go to: <https://www.regulations.gov>, and insert the docket number, CPSC–2020–0023, into the “Search” box, and follow the prompts.

**FOR FURTHER INFORMATION CONTACT:**

Daniel Taxier, Project Manager, Division of Mechanical and Combustion Engineering, U.S. Consumer Product Safety Commission, 5 Research Place, Rockville, MD 20850; telephone: (301) 987–2211; email: [dtaxier@cpsc.gov](mailto:dtaxier@cpsc.gov).

**SUPPLEMENTARY INFORMATION:** Section 104(b) of the Consumer Product Safety Improvement Act of 2008 (CPSIA) requires the Commission to adopt mandatory standards for durable infant or toddler products. 15 U.S.C. 2056a(b)(1). Mandatory standards must be “substantially the same as” voluntary standards, or they may be “more stringent” than the applicable voluntary standards, if the Commission determines that more stringent requirements would further reduce the risk of injury associated with the products. *Id.* Mandatory standards may be based, in whole or in part, on a voluntary standard.

Section 104(b)(4)(B) of the CPSIA specifies the process for when a voluntary standards organization revises a standard that the Commission previously had incorporated by reference under section 104(b)(1). First, the voluntary standards organization must notify the Commission of the revision. Once the Commission receives this notification, the Commission may reject or accept the revised standard. To reject a revised standard, the Commission must notify the voluntary standards organization within 90 days of receiving the notice of revision that the Commission has determined that the revised standard does not improve the safety of the consumer product and that CPSC is retaining the existing standard.

If the Commission does not take this action, the revised voluntary standard will be considered a consumer product safety standard issued under section 9 of the Consumer Product Safety Act (CPSA) (15 U.S.C. 2058), effective 180 days after the Commission received notification of the revision (or a later date specified by the Commission in the **Federal Register**). 15 U.S.C. 2056a(b)(4)(B).

Under this authority, the Commission issued a mandatory safety rule that incorporates by reference ASTM F2933–21, Standard Consumer Safety Specification for Crib Mattresses, with modifications, codified at 16 CFR part 1241 (87 FR 8640, Feb. 15, 2022). This mandatory standard includes performance requirements and test methods, as well as requirements for warning labels and instructions, to address hazards to children associated with crib mattresses.

On November 4, 2025, ASTM notified the Commission that it had approved and published a revised version of the voluntary standard, ASTM F2933–25. CPSC is assessing the revised voluntary standard to determine, consistent with section 104(b)(4)(B) of the CPSIA, its effect on the safety of crib mattresses subject to 16 CFR part 1241. The Commission invites public comment to inform CPSC staff’s assessment and subsequent Commission consideration of the revisions in ASTM F2933–25.

The currently incorporated voluntary standard (ASTM F2933–21)<sup>1</sup> and the revised voluntary standard (ASTM F2933–25) are available for review in several ways. A read-only copy of the existing, incorporated standard is available for viewing, at no cost, on the ASTM website at: <https://www.astm.org/READINGLIBRARY/>. A read-only copy of the revised standard (ASTM F2933–25), including red-lined versions that identify the changes from the 2021 versions to the 2025 version, is available, at no cost, on ASTM’s website at: <https://www.astm.org/CPSC.htm>. Interested parties can also download copies of the standards by purchasing them from ASTM International, 100 Barr Harbor Drive, P.O. Box C700, West Conshohocken, PA 19428–2959; phone: 610–832–9585; <https://www.astm.org>. Alternatively, interested parties can schedule an appointment to inspect copies of the standards at CPSC’s Office of the

<sup>1</sup> In September 2021, ASTM published a revised version, ASTM F2933–21a. Because ASTM published this revision prior to CPSC’s adoption of a mandatory crib mattress standard, the Commission did not evaluate this revision pursuant to the CPSIA. This version is also available for review at <http://www.astm.org/cpsc.htm>.

Secretary, U.S. Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814, telephone: 301–504–7479.

Comments must be received by December 17, 2025. Because of the short statutory time frame Congress established for the Commission to consider revised voluntary standards under section 104(b)(4) of the CPSIA, CPSC will not consider comments received after this date.

**Alberta E. Mills,**

*Secretary, Consumer Product Safety Commission.*

## FEDERAL COMMUNICATIONS COMMISSION

### 47 CFR Part 25

[SB Docket No. 25–305; FCC 25–70; FR ID 319485]

### Facilitating More Intensive Use of Upper Microwave Spectrum

**AGENCY:** Federal Communications Commission.

**ACTION:** Proposed rule.

**SUMMARY:** In this document, the Federal Communications Commission (“FCC” or “Commission”) seeks comment on a variety of measures aimed at facilitating more intensive use of spectrum in the 24 GHz, 28 GHz, upper 37 GHz, 39 GHz, 47 GHz, and 50 GHz bands (together, the UMFUS bands). These bands are shared between the terrestrial Upper Microwave Flexible Use Service (UMFUS) and the Fixed-Satellite Service (FSS) pursuant to the Commission’s rules. When the Commission created this framework in 2016, it assumed that UMFUS bands would be used intensively as a part of terrestrial 5G networks, that earth station deployment in the bands would be relatively light, and that the technical rules adopted were necessary to protect terrestrial UMFUS operations but not too onerous to chill FSS earth station siting. Since that time, it has become more clear how the bands are being used for terrestrial service and how growth in the space economy has increased interest in using the UMFUS bands for FSS. Given these shifts, the requirements contained in the Commission’s rules have proven to be an impediment to processing earth station applications in the bands. Accordingly, the *NPRM* would seek input on a variety of mechanisms that might facilitate more intensive use of
