

local governments to request training from the Access Board.

**DATES:** Send comments on or before January 5, 2026.

**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30, days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting “Architectural and Transportation Barriers Compliance Board” under “Currently under Review—Open for Public Comments” or by using the search function.

**FOR FURTHER INFORMATION CONTACT:** Attorney Advisor Wendy Marshall, (202) 272–0043, [marshall@access-board.gov](mailto:marshall@access-board.gov).

**SUPPLEMENTARY INFORMATION:**

**I. Background**

Under the PRA and its implementing regulations (5 CFR part 1320), Federal agencies must obtain approval from OMB for each collection of information they conduct or sponsor (*e.g.*, contractually-required information collection by a third-party). “Collection of information,” within the meaning of the PRA, includes agency requests that pose identical questions to, or impose reporting or recording keeping obligations on, ten or more persons, regardless of whether response to such request is mandatory or voluntary. See

5 CFR 1320.3(c); see also 44 U.S.C. 3502(3). In July 2024, the Access Board published a 60-day notice concerning the proposed new information collection for a technical assistance training request form. We received one comment that did not address the proposed new information collection request.

**II. Proposed New Information Collection Request**

The Access Board is providing notice that it has requested OMB approval of a new information collection regarding requests for training by members of the public and state and local governments. The Access Board provides training and technical assistance on the guidelines and standards that it promulgates, including design criteria for the built environment, transit vehicles, public rights-of-way, information and communication technology, and medical diagnostic equipment under the Americans with Disabilities Act of 1990, the Architectural Barriers Act of 1968, and other laws. By practice, the Access Board provides in-person and virtual training to organizations across the United States, to include state and local agencies. The Access Board receives email requests for training which currently result in multiple communications with the requestor to determine if the Access Board is able to provide the training requested. The Access Board is proposing to streamline

this process for both the requestor and the Board by creating a form for the agency website to allow requestors to submit all necessary information at one time so the Board can review the request and make a determination whether the training can be provided. The online form will be used unless the requestor expresses a preference for another format (*e.g.*, discussion by telephone).

**OMB Control Number:**  
**Title:** Technical Assistance Training Request Form.

**Type of Request:** New Collection.  
**Abstract:** The proposed information collection activity enables members of the public, including state and local agencies, to request technical assistance training on the standards and guidelines issued by the Access Board. This collection will streamline the process and decrease wait times for responses to these requests.

**Respondents/Affected Public:** Individuals and Households; Businesses and Organizations; State, Local or Tribal Government.

**Burden Estimates:** In the table below (Table 1), the Access Board provides estimates for the annual reporting burden under this proposed information collection. The Access Board does not anticipate incurring any capital or other direct costs associated with this information collection. Nor will there be any costs to respondents, other than their time.

TABLE 1—ESTIMATED ANNUAL BURDEN HOURS

Type of collection	Number of respondents	Frequency of response (per year)	Average response time (mins.)	Total burden (hours)
Technical Assistance Training Request .....	1,000	1	5	84

(Note: Total burden hours per collection rounded to the nearest full hour.)

**Request for Comment:** The Access Board seeks comment on any aspect of the proposed new information collection, including: (a) whether it is necessary for the performance of the agency’s functions; (b) whether the information will have practical utility; (c) the accuracy of the estimated burden; (d) ways for the Access Board to enhance the quality, utility, and clarity of the information collections; and (e) ways that the burden could be minimized without reducing the quality of the collected information.

### Foreign-Trade Zones Board

[B-47-2025]

#### Foreign-Trade Zone (FTZ) 84, Notification of Proposed Production Activity; Recodeal Energy Inc; (Galvanized Steel); Houston, Texas

Recodeal Energy Inc submitted a notification of proposed production activity to the FTZ Board (the Board) for its facilities in Houston, Texas within Subzone 84AK. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on September 24, 2025.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material/component and specific finished product described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

The proposed finished product is galvanized steel pipes (duty rate is duty-free).

The proposed foreign-status material/component is galvanized steel coils (duty rate is duty-free). The request indicates that the material/component is subject to duties under section 1702(a)(1)(B) of the International Emergency Economic Powers Act (section 1702), section 232 of the Trade Expansion Act of 1962 (section 232), or section 301 of the Trade Act of 1974 (section 301), depending on the country of origin. The applicable section 1702, section 232, and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is January 13, 2026.

A copy of the notification will be available for public inspection in the "Online FTZ Information System" section of the Board's website.

For further information, contact Juanita Chen at [juanita.chen@trade.gov](mailto:juanita.chen@trade.gov).

Dated: November 28, 2025.

Please request webinar invitations at least 24 hours in advance of each webinar.

*SEDAR address:* 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405.

**FOR FURTHER INFORMATION CONTACT:** Julie A. Neer, SEDAR Coordinator; (843) 571-4366. Email: [Julie.neer@safmc.net](mailto:Julie.neer@safmc.net).

**SUPPLEMENTARY INFORMATION:** The Gulf, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the SEDAR process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a multi-step process including: (1) Data Workshop, (2) a series of assessment webinars, and (3) A Review Workshop. The product of the Data Workshop is a report that compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The assessment webinars produce a report that describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. The product of the Review Workshop is an Assessment
