SUPPLEMENTARY INFORMATION: On March 25, 2025, the President of the United States of America issued Executive Order 14249, “Protecting America’s Bank Account from Fraud, Waste, and Abuse,” directing Federal agencies to share information with the U.S. Department of the Treasury to mitigate fraud, waste, and abuse across the Federal government. Section 3(d) of this Executive Order requires Federal agencies to modify relevant system of records notices to include a routine use allowing for the “disclosure of records to the Department of the Treasury for the purposes of identifying, preventing, or recouping fraud and improper payments, to the extent permissible by law.”

Subsequently, on August 20, 2025, the Office of Management and Budget (OMB) issued Memorandum M-25-32, “Preventing Improper Payments and Protecting Privacy Through Do Not Pay,” clarifying the modifications required to be made to system of records notices under Executive Order 14249. Specifically, M-25-32 requires a routine

use be added for any system that may disclose information to the U.S. Department of the Treasury for identifying, preventing, or recouping improper payments by reviewing payment and award eligibility through the Do Not Pay Working System.

The Department is modifying the systems of records identified in this Notice to include the routine use set forth in Section 3(d) of Executive Order 14249 and M-25-32, Appendix I.
