*General Description of Collection:* The Board of Governors of the Federal Reserve System promulgated Regulation C, 12 CFR part 203, to implement the HMDA, 12 U.S.C. 2801–2810. Regulation C requires depository

institutions that meet its asset-size threshold to maintain data about home loan applications (the type of loan requested, the purpose of the loan, whether the loan was approved, and the type of purchaser if the loan was later

sold), to update the information quarterly, and to report the information annually. Pursuant to Regulation C, insured State nonmember banks supervised by the FDIC with assets over a certain dollar threshold must collect,

record, and report data about home loan applications. The total estimated annual burden for this information collection is 329,347 hours. This represents a 44-percent decrease from the 2022 information collection. The decrease is

driven by a reduction in the estimated number of responses per respondent.

*General Description of Collection:* The FDIC's Management Official Interlocks regulation, 12 CFR part 348, which implements the Depository Institutions Management Interlocks Act (DIMIA), 12 U.S.C. 3201–3208, generally prohibits bank management officials from serving simultaneously with two unaffiliated depository institutions or their holding companies but allows the FDIC to grant exemptions in appropriate

circumstances. Consistent with DIMIA, the FDIC's Management Official Interlocks regulation has an application requirement for information specified in the FDIC's procedural regulation. The rule also contains a notification requirement. There is no change in the method or substance of the collection. The increase of 38 hours from 7 in 2023 to the current estimate of 45 hours is due to an increase in respondents and

revised estimates of time per response for applications and recordkeeping.

*General Description of Collection:* The information collection includes reporting and recordkeeping burdens related to sound risk management principles applicable to insured depository institutions. To enable an institution and its supervisor to evaluate the liquidity risk exposure of an institution's individual business lines and for the institution as a whole, the Interagency Policy Statement on Funding and Liquidity Risk Management (Interagency Statement) summarizes principles of sound liquidity risk management and advocates the establishment of policies and procedures that consider liquidity

costs, benefits, and risks in strategic planning. In addition, the Interagency Statement encourages the use of liquidity risk reports that provide detailed and aggregate information on items such as cash flow gaps, cash flow projections, assumptions used in cash flow projections, asset and funding concentrations, funding availability, and early warning or risk indicators. This is intended to enable management to assess an institution's sensitivity to changes in market conditions, the institution's financial performance, and other important risk factors. There is no change in the substance of this collection. The estimated annual burden

for this information collection request (ICR) is 344,621 hours per year. This estimate represents a 32-percent decrease from the 2023 ICR estimate of 503,881 hours per year. The decrease is driven by the change in methodology for estimating the burden for each response.

**General Description of Collection:** Section 1471 of the Dodd-Frank Act established a new Truth in Lending section 129H, which contains appraisal requirements applicable to higher-risk mortgages and prohibits a creditor from extending credit in the form of a higher-risk mortgage loan to any consumer without meeting those requirements. A higher-risk mortgage is defined as a residential mortgage loan secured by a principal dwelling with an annual percentage rate that exceeds the average prime offer rate for a comparable transaction as of the date the interest rate is set by certain enumerated percentage point spreads. The rule requires that, within three days of application, a creditor provide a disclosure that informs consumers regarding the purpose of the appraisal, that the creditor will provide the consumer a copy of any appraisal, and that the consumer may choose to have a separate appraisal conducted at the expense of the consumer. If a loan meets the definition of a higher-risk mortgage loan, then the creditor would be required to obtain a written appraisal prepared by a certified or licensed appraiser who conducts a physical visit of the interior of the property that will secure the transaction and send a copy of the written appraisal to the consumer. To qualify for the safe harbor provided under the rule, a creditor is required to review the written appraisal as specified in the text of the rule and appendix A. If a loan is classified as a higher-risk mortgage loan that will finance the acquisition of the property to be mortgaged, and the property was acquired within the previous 180 days by the seller at a price that was lower than the current sale price, then the creditor is required to obtain an additional appraisal. A creditor is required to provide the consumer a copy of the appraisal reports performed in

connection with the loan, without charge, at least days prior to consummation of the loan. There is no change in the method or substance of the collection. The decrease of 1,750 hours from 7,412 in 2022 to the current estimate of 5,662 hours is due to a decrease in respondents and number of responses per respondent.

**Request for Comment**

Comments are invited on (a) whether the collections of information are necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collections, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collections of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.

**FEDERAL MARITIME COMMISSION**

**[Docket No. 25–28]**

**Cool Living LLC, Complainant v. ALPI U.S.A., Inc. and ALPI Air & Sea A/S, Respondents; Notice of Filing of Complaint and Assignment**

Notice is given that a complaint has been filed with the Federal Maritime

Commission (the “Commission”) by Cool Living LLC (the “Complainant”) against ALPI U.S.A., Inc. and ALPI Air & Sea A/S (the “Respondents”). Complainant states that the Commission has subject-matter jurisdiction over this Complaint pursuant to the Shipping Act of 1984, 46 U.S.C. 40101, *et seq.* and personal jurisdiction over Respondents as non-vessel-operating “common carriers” as defined in 46 U.S.C. 40102(7), (17), and (20).

Complainant is a member-managed limited liability company organized and existing under the laws of the state of Delaware with its principal place of business in Barcelona, Spain.

Complainant identifies Respondent ALPI U.S.A., Inc. as a corporation organized under the laws of the state of New York with its principal place of business in Valley Stream, New York.

Complainant identifies Respondent ALPI Air & Sea A/S as a corporation organized under the laws of the country of Denmark with its principal place of business in Herning, Denmark.

Complainant alleges that Respondents violated 46 U.S.C. 41102(c); 41104(a)(2)(A), (a)(4)(E), and (a)(14); and 46 CFR 532.5. Complainant alleges these violations arose from Respondents’ opaque rate and invoicing practices, refusal to engage in dispute resolution processes with Complainant, use of coercion by way of cargo holds on unrelated shipments in order to compel payment of disputed charges, and other acts or omissions by Respondents.

An answer to the complaint must be filed with the Commission within 25 days after the date of service.

The full text of the complaint can be found in the Commission’s electronic Reading Room at <https://www2.fmc.gov/readingroom/proceeding/25-28/>. This proceeding has been assigned to the Office of Administrative Law Judges. The initial decision of the presiding
