This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection

requirements and provide the requested data in the desired format. The Department is soliciting comments on the proposed information collection request (ICR) that is described below. The Department is especially interested in public comment addressing the following issues: (1) is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: DC School Choice Incentive Program.*OMB Control Number:* 1810–0774.*Type of Review:* An extension without change of a currently approved ICR.*Respondents/Affected Public:* Individuals and Households.*Total Estimated Number of Annual Responses:* 3,000.*Total Estimated Number of Annual Burden Hours:* 1,000.*Abstract:* The DC Opportunity Scholarship Program (OSP) is currently authorized under the Scholarships for Opportunity and Results Act (SOAR). Under the SOAR Act, the US Department of Education awards a grant to a non-profit to administer scholarships to students who reside in the District of Columbia and come from households whose incomes do not exceed 185% of the poverty line (300% of the poverty line for returning students). The current administrator of the OSP is Serving Our Children (SOC). Under the law, priority is given to siblings of students in the program, and students who are currently attending low-performing schools, as defined by Title I. To assist in the student selection and assignment process, the information collected is used to determine the eligibility of those students who are interested in the available scholarships.**Ross Santy,***Chief Data Officer, Office of Planning, Evaluation and Policy Development*
