To facilitate the timely preparation of the service list(s), it is requested that those seeking recognition as interested parties to a proceeding contact Commerce in writing within 10 days of the publication of the Notice of Initiation.

Note that if Commerce receives a Notice of Intent to Participate from a member of the domestic industry within 15 days of the date of initiation, the review will continue.

Thereafter, any interested party wishing to participate in the Sunset Review must provide substantive comments in response to the notice of initiation no later than 30 days after the date of initiation. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>1</sup> An electronically filed document must be received successfully in its entirety via Commerce's online e-filing and document management system, Antidumping and Countervailing Duty

In prior proceedings we have encouraged interested parties to provide an executive summary of their comments, including footnotes. In these sunset reviews, we request that interested parties provide, at the beginning of their comments, an executive summary for each issue raised in their comments. Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the decision memorandum that will accompany the notice to be published in the **Federal Register**. Finally, we request that interested parties include footnotes for relevant citations in the public executive summary of each issue.

#### Certain Chassis and Subassemblies Thereof From The People's Republic of China: Rescission of Antidumping Duty Administrative Review; 2024-2025

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty (AD) order on certain chassis and subassemblies thereof (chassis) from the People's Republic of China (China) for the period of review (POR) July 1, 2024, through June 30, 2025.

**DATES:** Applicable December 11, 2025.

**FOR FURTHER INFORMATION CONTACT:** Dusten Hom, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5075.

#### SUPPLEMENTARY INFORMATION:

##### Background

On July 8, 2021, Commerce published in the **Federal Register** the AD order on chassis from China.<sup>1</sup> On June 30, 2025,

<sup>1</sup> See *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings; Final Rule*, 88 FR 67069 (September 29, 2023).

<sup>1</sup> See *Certain Chassis and Subassemblies Thereof from the People's Republic of China: Antidumping Duty Order*, 86 FR 36093 (July 8, 2021) (*Order*).

Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order*.<sup>2</sup> On July 31, 2025, Commerce received a timely request from domestic producers of subject merchandise, the Coalition of American Chassis Manufacturers (Coalition), in accordance with 19 CFR 351.213(b)(1), to conduct an administrative review of the *Order* of the following exporters: (1) CIMC Vehicles (Group) Co., Ltd.; (2) Dongguan CIMC Vehicles Co., Ltd.; (3) Qingdao CIMC Special Vehicles Co., Ltd.; and (4) SinoTrailers.<sup>3</sup>

On August 22, 2025, Commerce published in the **Federal Register** a notice of initiation of administrative review with respect to imports of chassis exported by the above Chinese exporters, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i).<sup>4</sup> On September 5, 2025, we placed on the record U.S. Customs and Border Protection (CBP) data for entries of chassis from China during the POR, showing no reviewable POR entries, and invited interested parties to comment.<sup>5</sup>

On September 24, 2025, Commerce notified all interested parties of its intent to rescind the instant review in full because there were no reviewable, suspended entries of subject merchandise by any of the four companies listed in the *Initiation Notice* during the POR and invited comments from interested parties.<sup>6</sup> No interested party submitted comments to Commerce in response to this notice.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days,<sup>7</sup> and, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025,

Commerce tolled all deadlines in administrative proceedings by an additional 21 days.<sup>8</sup> Accordingly, the deadline for the preliminary results of this review is now June 30, 2026.

#### Rescission of Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an AD order when there are no reviewable entries of subject merchandise during the POR for which liquidation is suspended.<sup>9</sup> Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD assessment rate calculated for the review period.<sup>10</sup> Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the AD assessment rate calculated for the review period.<sup>11</sup> As noted above, there were no entries of subject merchandise for the four companies listed in the *Initiation Notice* during the POR. Accordingly, in the absence of suspended entries of subject merchandise of the four companies listed in the *Initiation Notice* during the POR, we are hereby rescinding this administrative review, in its entirety, in accordance with 19 CFR 351.213(d)(3).

#### Cash Deposit Requirements

As Commerce has proceeded to a final rescission of this administrative review, no cash deposit rates will change. Accordingly, the current cash deposit requirements shall remain in effect until further notice.

#### Assessment Rates

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the **Federal Register**.
