

December 16, 2026, the human remains in this notice will become unclaimed human remains. Claims for disposition may be submitted by:

1. Any lineal descendant, Indian Tribe, or Native Hawaiian organization identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows that they have priority for disposition.

Disposition of the human remains in this notice may occur on or after January 15, 2026. If competing claims for disposition are received, PUHO must determine the most appropriate claimant prior to disposition. Claims for joint disposition of the human remains are considered a single claim and not competing claims. PUHO is responsible for sending a copy of this notice to the lineal descendants, Indian Tribes, and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3002, and the implementing regulations, 43 CFR 10.7.

Dated: November 19, 2025.

Notice of Inventory Completion: Arizona State Museum, University of Arizona, Tucson, AZ

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Arizona State Museum, University of Arizona (Arizona State Museum), has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after January 15, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and

associated funerary objects in this notice to Cristin Lucas, Arizona State Museum, 1013 East University Boulevard, Tucson, AZ 85721–0026, email lucasc@arizona.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Arizona State Museum, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, human remains representing, at least, one individual have been reasonably identified. The one associated funerary object is a ceramic pitcher. On an unknown date prior to June 1933, one individual and their associated funerary object was recovered from an unknown Salado site in the vicinity of Roosevelt Lake (AZ U:8:—Roosevelt Lake vicinity), in either Gila or Maricopa County, Arizona. In June 1933, the individual and their funerary object were donated to ASM. No additional information is available from archival records housed at ASM. No known individuals have been identified.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

Determinations

The Arizona State Museum has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The one object described in this notice is reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Ak-Chin Indian Community; Gila River Indian Community of the Gila River Indian Reservation, Arizona; Hopi Tribe of Arizona; Salt River Pima-Maricopa Indian Community of the Salt River

Reservation, Arizona; Tohono O'odham Nation of Arizona; and the Zuni Tribe of the Zuni Reservation, New Mexico.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after January 15, 2026. If competing requests for repatriation are received, the Arizona State Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The Arizona State Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: November 19, 2025.

Notice of Intended Repatriation: U.S. Department of the Interior, National Park Service, Salinas Pueblo Missions National Monument, Mountainair, NM

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Department of the Interior, National Park Service, Salinas Pueblo Missions National Monument (SAPU) intends to

repatriate a certain cultural item that meets the definition of an unassociated funerary object and that has a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural item in this notice may occur on or after January 15, 2026.

ADDRESSES: Send additional, written requests for repatriation of the cultural item in this notice to Kathy Faz Garcia, Superintendent, Salinas Pueblo Missions National Monument, 105 South Ripley Avenue, P.O. Box #517, Mountainair, NM 87036, email *Kathy_Faz_Garcia@nps.gov*.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Superintendent, SAPU, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records.

Abstract of Information Available

A total of one cultural item has been requested for repatriation. The unassociated funerary object is one miniature ceramic vessel.

During a 2024 review of SAPU museum exhibits and associated documentation, an object that had been on display in the Gran Quivira Museum was found to be listed on a 2003 Unassociated Funerary Object Inventory. The miniature vessel (SAPU 3406) had been identified as missing in previous museum collections inventories. It is unknown how it ended up on display. The object was excavated as part National Park Service permitted archeological research at Mound 7 at Gran Quivira (LA 120/SAPU 2.12) by Alden Hayes in 1965–1967. The vessel's provenience was recorded as Room 12, subfloor, Burial 73 within Mound 7. It was cataloged on April 8, 1966. The unassociated funerary object is in the physical custody of the National Park Service at Salinas Pueblo Missions National Monument in Mountainair, New Mexico, and has been taken off display. The unassociated funerary object is not known to have been treated with a hazardous substance.

The unassociated funerary object is from the same accession and provenience as unassociated funerary objects repatriated in 2004. These were determined through consultation as well as a cultural affiliation study to be culturally affiliated with the Hopi Tribe of Arizona; Piro-Manso-Tiwa Indian

Tribe of the Pueblo of San Juan de Guadalupe; Pueblo of Acoma, New Mexico; Pueblo of Isleta, New Mexico; Pueblo of Jemez, New Mexico; Pueblo of Sandia, New Mexico; Santo Domingo Pueblo; Pueblo of Taos, New Mexico, Ysleta del Sur Pueblo; and the Zuni Tribe of the Zuni Reservation, New Mexico. Consultation specific to this vessel on March 11, 2025, confirmed the Ancestral Puebloan affiliation of the object, including the Ysleta del Sur Pueblo of Texas.

Determinations

SAPU has determined that:

- The one unassociated funerary object described in this notice is reasonably believed to have been placed intentionally with or near individual human remains, and is connected, either at the time of death or later as part of the death rite or ceremony of a Native American culture according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization. The unassociated funerary object has been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.

- There is a connection between the cultural item described in this notice and the Ysleta del Sur Pueblo.

Requests for Repatriation

Additional, written requests for repatriation of the cultural item in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural item in this notice to a requestor may occur on or after January 15, 2026. If competing requests for repatriation are received, SAPU must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural item are considered a single request and not competing requests. SAPU is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.

Dated: November 17, 2025.

Notice of Inventory Completion: The University of Kansas, Lawrence, KS

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of Kansas has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after January 15, 2026.

ADDRESSES: Send written requests for repatriation of the human remains in this notice to Dr. Thomas Torma, The University of Kansas, Office of Audit Risk and Compliance, 1450 Jayhawk Blvd., 351 Strong Hall, Lawrence, KS 66045, email *t-torma@ku.edu*.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the University of Kansas, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, one individual have been identified. No associated funerary objects are present. Museum records indicate that the ancestor was collected from a woodrat's nest in Granite County, MT, and accessioned into the paleontology collection at the Biodiversity Institute. In 1996, the Biodiversity Institute & Natural History Museum transferred
