Notice of Inventory Completion: California State University, Sacramento, Sacramento, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the California State University, Sacramento has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the associated funerary objects in this notice may occur on or after January 15, 2026.

ADDRESSES: Send written requests for repatriation of the associated funerary objects in this notice to Mark R. Wheeler, California State University, Sacramento, 6000 J Street, Sacramento, CA 95819, email mark.wheeler@csus.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the California State University, Sacramento, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Associated funerary objects have been identified that originate from CA–SJO–56 in northwestern San Joaquin County, CA. The nine associated funerary objects consist of at least nine objects that include modified shell and modified stone, some of which are noted as having been removed from burials. At least six of these objects are currently missing, and California State University, Sacramento continues to

look for them. The associated funerary objects were donated to California State University, Sacramento in the 1950s by the University of California, Berkeley and have since been stored under accession number 1974–24. California State University, Sacramento is unaware of any treatment of the associated funerary object with pesticides, preservatives, or other substances that represent a potential hazard to the objects or to persons handling the objects.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

Determinations

The California State University, Sacramento has determined that:

- The nine objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the associated funerary objects described in this notice and the Buena Vista Rancheria of Me-Wuk Indians of California; California Valley Miwok Tribe, California; Chicken Ranch Rancheria of Me-Wuk Indians of California; Ione Band of Miwok Indians of California; Jackson Band of Miwok Indians; Picayune Rancheria of Chukchansi Indians of California; Santa Rosa Indian Community of the Santa Rosa Rancheria, California; Shingle Springs Band of Miwok Indians, Shingle Springs Rancheria (Verona Tract), California; Table Mountain Rancheria; Tule River Indian Tribe of the Tule River Reservation, California; Tuolumne Band of Me-Wuk Indians of the Tuolumne Rancheria of California; United Auburn Indian Community of the Auburn Rancheria of California; and the Wilton Rancheria, California.

Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that

the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the associated funerary objects described in this notice to a requestor may occur on or after January 15, 2026. If competing requests for repatriation are received, the California State University, Sacramento must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary objects are considered a single request and not competing requests. The California State University, Sacramento is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Notice of Inventory Completion: Florida Department of State, Tallahassee, FL

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Florida Department of State (FDOS) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after January 15, 2026.

ADDRESSES: Send written requests for repatriation of the human remains in this notice to Tea Kaplan, Florida Department of State, 2100 W Tennessee Street, Tallahassee, FL 32304, email Tea.Kaplan@dos.fl.gov.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The

determinations in this notice are the sole responsibility of the FDOS, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, three individuals have been identified. No associated funerary objects are present. Ancestral remains were transferred to the FDOS from the Museum of Science & History, Jacksonville, Florida in 1997 under 872.05, Florida Statutes. Following identification of the provenance of the Ancestral remains, the collection was accessioned to proceed with consultation and repatriation. According to research and documentation, the remains were removed from an unknown site near Utqiagvik (formerly, Barrow) in the 1930s or early 1940s by Robert Shankel, an anthropologist and filmmaker. Shankel likely removed the remains during a visit to North Slope Borough during filming of the documentary "Survival of the North", which had limited screening in 1945 following Shankel's service during World War II.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains described in this notice.

Determinations

The FDOS has determined that:

- The human remains described in this notice represent the physical remains of three individuals of Native American ancestry.
- There is a connection between the human remains described in this notice and the Native Village of Barrow Inupiat Traditional Government.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or

an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains described in this notice to a requestor may occur on or after January 15, 2026. If competing requests for repatriation are received, the FDOS must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The FDOS is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Notice of Intended Repatriation: University of California, Davis, Davis, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the University of California, Davis (UC Davis) intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural items in this notice may occur on or after January 15, 2026.

ADDRESSES: Send additional, written requests for repatriation of the cultural items in this notice to Megon Noble, University of California, Davis, 412 Mrak Hall, One Shields Avenue, Davis, CA 95616, email mnoble@ucdavis.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of UC Davis, and additional information on the determinations in this notice, including

the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of two lots of cultural items have been requested for repatriation. The two lots of objects of cultural patrimony are one box of botanical material including soil, seeds, and charcoal flotation samples in various stages of sorting by size, type of material, and species and one lot of unidentified missing material. The material is from CA-SAC-497 (P-34-000556; JSA Parker 1), Snodgrass Slough in Sacramento County, California. It was excavated in the 1990s by Barry Scott of Jones & Stokes (now ICF Jones & Stokes). Archaeobotanist Eric Wohlgemuth deposited the botanical material at the UC Davis Department of Anthropology Museum in approximately 2012. The University is unaware of any treatment of the objects of cultural patrimony with pesticides, preservatives, or other substances that represent a potential hazard to the objects or to persons handling the objects.

Determinations

UC Davis has determined that:

- The two lots of objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.

- There is a connection between the cultural items described in this notice and the Wilton Rancheria, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after January 15, 2026. If competing requests for repatriation are received, UC Davis must determine the most appropriate requestor prior to
