International Trade Administration

[Docket No. 251211–0089]

Notice of the Opening of the Inclusions Window for the Section 232 Automobile Parts Tariff Inclusions Process

AGENCY: International Trade Administration, Office of Transportation and Machinery, U.S. Department of Commerce.

ACTION: Notice.

SUMMARY: The Bureau of Industry and Security (BIS), working with the International Trade Administration (ITA) have established a process for including additional automobile parts within the scope of the duties authorized by the President under section 232 of the Trade Expansion Act of 1962. This notice opens the January 2026 inclusions window for submissions.

DATES: The inclusions window will open on January 1, 2026, and close at 11:59 p.m. ET on January 14, 2026.

ADDRESSES: Submissions for inclusions requests must be emailed to the automobile parts inclusion inbox at AutoInclusions@trade.gov.

FOR FURTHER INFORMATION CONTACT: For questions regarding this notice or the inclusions process overall, email AutoInclusions@trade.gov regarding automobile parts inclusion requests.

SUPPLEMENTARY INFORMATION: On March 26, 2025, the President issued Proclamation 10908, “Adjusting Imports of Automobiles and Automobile Parts Into the United States” (Automobile Proclamation). This proclamation imposed specified rates of duty on imports of automobiles and certain automobile parts.

The Automobile Proclamation also required the Secretary of Commerce to establish a process for including additional automobile parts within the scope of the duties established in the Automobile Proclamation. An interim final rule (IFR) published on September

17, 2025 (90 FR 44767) established a process for including additional automobile parts within the scope of the duties authorized by the President under section 232 of the Trade Expansion Act of 1962, as amended (Section 232). This IFR established recurring two-week windows each year for submissions of automobile parts in January, April, July, and October, beginning on the first of those months.

This notice announces the opening of the January 2026 inclusions window for submissions for automobile parts for two weeks starting on January 1, 2026, and closing at 11:59 p.m. ET on January 14, 2026. Requests must be submitted to the automobile parts inclusion inbox at AutoInclusions@trade.gov. Following the close of the submission window, accepted inclusion requests will be posted for a two-week public comment period on Docket ID ITA–2025–0039 on [Regulations.gov](https://www.regulations.gov). See the prior published IFR for details on the inclusions submission process.

Prior to submission, please ensure that automobile parts being submitted for consideration are not already within the scope of the duties imposed by the Automobile Proclamation. Furthermore, if a decision has not been made on a previously submitted inclusions request, please do not submit an additional request with the same automobile parts unless new pertinent information is available for consideration.

Dated: December 8, 2025.

Lev Krutz,

Deputy Assistant Secretary for Manufacturing, United States Department of Commerce.

SUPPLEMENTARY INFORMATION:

Meeting address: The SEDAR103 Data Scoping Webinar will be held via webinar. The webinar is open to members of the public. The established times may be adjusted as necessary to accommodate the timely completion of discussion relevant to the assessment process. Such adjustments may result in the meeting being extended from or completed prior to the time established by this notice.

The Gulf, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with the National Marine Fisheries Service (NMFS) and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the SEDAR process, a multi-step method for determining the status of fish stocks in the Southeast Region SEDAR is a participatory process for developing, evaluating and reviewing information used for fisheries management advice. The process may include (1) a Data stage, and (2) an Assessment stage, and (3) a Review stage. The product of the Data stage is a report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses. The product of the Assessment stage is a report which compiles and evaluates recommended model configurations that describes the fisheries, evaluates the status of the stock, estimates biological benchmarks and projects future population conditions. The product of the Review Workshop is a Review Summary documenting panel opinions regarding the strengths and weaknesses of the products reviewed. Participants for SEDAR Workshops are appointed by the Gulf, South Atlantic, and Caribbean Fishery Management Councils and National Marine Fisheries Service Southeast Regional Office, Highly Migratory Species (HMS) Management Division, and Southeast Fisheries Science Center. Participants include

data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and non-governmental organizations (NGO's); International experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion in the Data Scoping Webinar are as follows: Participants will discuss terms of reference and scope of work, along with assessment documents such as working papers and reference documents.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

CONSUMER PRODUCT SAFETY COMMISSION

[Docket No. CPSC-2009-0073]

Agency Information Collection Activities; Extension of Collection; Comment Request; Virginia Graeme Baker Pool and Spa Safety Act Verification of Compliance Form

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of information collection; request for comment.

SUMMARY: As required by the Paperwork Reduction Act of 1995 (PRA), the Consumer Product Safety Commission

(CPSC or Commission) requests comments on a proposed extension of approval of information collection regarding a form used to verify whether pools and spas are in compliance with the Virginia Graeme Baker Pool and Spa Safety Act. The Office of Management and Budget (OMB) previously approved the collection of information under control number 3041-0142. OMB's most recent extension of approval will expire on March 31, 2026. The Commission will consider all comments received in response to this notice before requesting an extension of this collection of information from OMB.

DATES: Submit comments on the collection of information by February 17, 2026.

ADDRESSES: You may submit comments, identified by Docket No. CPSC-2009-0073, within 60 days of publication of this notice by any of the following methods:

Electronic Submissions: Submit electronic comments to the Federal eRulemaking Portal at: <https://www.regulations.gov>. Follow the instructions for submitting comments. Do not submit through this website: confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public. The Commission typically does not accept comments submitted by email, except as described below.

Mail/hand delivery/courier/written submissions: CPSC encourages you to submit electronic comments by using the Federal eRulemaking Portal. You may, however, submit comments by mail/hand delivery/courier to: Office of the Secretary, U.S. Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; telephone (301) 504-7479.

Instructions: All submissions received must include the agency name and docket number for this notice. CPSC may post all comments without change, including any personal identifiers, contact information, or other personal information provided, to: <https://www.regulations.gov>. If you wish to submit confidential business information, trade secret information, or other sensitive or protected information that you do not want to be available to the public, you may submit such comments by mail, hand delivery, or courier, or you may email them to cpsc-os@cpsc.gov.

Docket: For access to the docket to read background documents or comments received, go to: <https://www.regulations.gov>, insert docket

number CPSC-2009-0073 into the "Search" box, and follow the prompts.

FOR FURTHER INFORMATION CONTACT: Cynthia Gillham, Consumer Product Safety Commission, 4330 East-West Highway, Bethesda, MD 20814; (301) 504-7791, or by email to: pra@cpsc.gov.

SUPPLEMENTARY INFORMATION: CPSC seeks to renew the following currently approved collection of information:

Title: Virginia Graeme Baker Pool and Spa Safety Act Verification of Compliance Form.

OMB Number: 3041-0142.

Type of Review: Renewal of collection.

Frequency of Response: On occasion.

Affected Public: Public pools and spa facilities.

General Description of Collection: The CPSC administers and oversees compliance with the Virginia Graeme Baker Pool and Spa Safety Act (VGBA), 15 U.S.C. Ch. 106. The VGBA is designed to prevent the tragic and hidden hazard of drain entrapment and evisceration in public pools and spas. To achieve its purposes, the VGBA requires, among other things, each swimming pool and spa drain cover manufactured, distributed, or introduced into commerce meet specific requirements of the CPSC recognized performance standard, and that each public pool and spa be equipped with anti-entrapment devices or systems that comply with the recognized performance standard. 15 U.S.C. 8003; 16 CFR part 1450.

CPSC, directly or through State contracted employees, inspects and assesses public pools and spas for compliance. A compliance form is used to record observations and assessments of compliance. The VGBA Form is available for viewing at <https://www.regulations.gov> under docket number, CPSC-2009-0073, "Supporting and Related Material."

Estimated Number of Respondents: CPSC compliance staff estimates that 50 inspections are completed annually, based on a review of prior completed inspections.

Estimated Time per Response: CPSC estimates that three hours will be required to inspect a pool or spa facility.

Total Estimated Annual Burden: CPSC estimates that total annual burden hours are at most 150 (50 inspections × 3 hours per inspection).

Total Estimated Annual Cost to Respondents: CPSC estimates that hourly compensation for the time required for inspecting is \$76.45 (U.S. Bureau of Labor Statistics, "Employer Costs for Employee Compensation," June 2025, Table 4, total compensation
