

may occur on or after January 16, 2026. If competing claims for disposition are received, the USACE Tulsa must determine the most appropriate claimant prior to disposition. Requests for joint disposition of the human remains and associated funerary objects are considered a single request and not competing requests. The USACE Tulsa is responsible for sending a copy of this notice to the lineal descendants, Indian Tribes, and Native Hawaiian organizations identified in this notice and to any other consulting parties.

**Authority:** Native American Graves Protection and Repatriation Act, 25 U.S.C. 3002, and the implementing regulations, 43 CFR 10.7.

**Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA**

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the human remains and associated funerary objects in this notice may occur on or after January 16, 2026.

**ADDRESSES:** Send written requests for repatriation of the human remains and associated funerary objects in this notice to Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, [jpickering@fas.harvard.edu](mailto:jpickering@fas.harvard.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The

determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

### Abstract of Information Available

Human remains representing at least one individual have been identified from unknown locations, likely from the state of Florida. The two associated funerary objects are two lots representing ceramic vessels or vessel fragments and ochre. The collectors and donors are unknown. The ancestor was accessioned to the PMAE in 1929. The two funerary objects were accessioned to the PMAE in 1999.

### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the information available about the human remains and associated funerary objects described in this notice.

### Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- The two objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this and the Jena Band of Choctaw Indians; Miccosukee Tribe of Indians; Mississippi Band of Choctaw Indians; Seminole Tribe of Florida; The Choctaw Nation of Oklahoma; The Muscogee (Creek) Nation; The Seminole Nation of Oklahoma; and the Thlopthlocco Tribal Town.

### Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or

a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after January 16, 2026. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

**Authority:** Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: November 25, 2025.

**Notice of Inventory Completion: California Department of Transportation, Oakland, CA**

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the California Department of Transportation (Caltrans) has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the associated funerary objects in this notice may occur on or after January 16, 2026.

**ADDRESSES:** Send written requests for repatriation of the associated funerary objects in this notice to Lindsay Busse and Althea Asaro, California Department of Transportation, District 4, 111 Grand Avenue, Oakland, CA 94612, email [lindsay.busse@dot.ca.gov](mailto:lindsay.busse@dot.ca.gov) and [althea.asaro@dot.ca.gov](mailto:althea.asaro@dot.ca.gov).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative

responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of Caltrans, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Associated funerary objects have been identified totaling 73 lots representing lithics, charcoal, seeds, historic-era artifacts, faunal remains, and ground stone artifacts. Of the 73 associated funerary objects, none are missing. This collection is from Marin County along Highway 101 between Petaluma and Novato and are housed at Sonoma State University (SSU). The unaccessioned collection is the result of Caltrans project-delivery related excavations at the following sites in 2005: CA-MRN-192, CA-MRN-194, CA-MRN-195, CA-MRN-196, CA-MRN-197, CA-MRN-327, CA-MRN-507, and CA-MRN-526. There are no known/documented potentially hazardous substances used to treat any of the cultural items.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

#### Determinations

Caltrans has determined that:

- The 73 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between associated funerary objects described in this notice and the Federated Indians of Graton Rancheria, California.

#### Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the associated funerary objects described in this notice to a requestor may occur on or after January 16, 2026. If competing requests for repatriation are received, Caltrans must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary objects are considered a single request and not competing requests. Caltrans is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

**Authority:** Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: November 24, 2025.

#### Notice of Intended Disposition: U.S. Department of Agriculture, Forest Service, Ozark-St. Francis National Forest, Russellville, AR

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the U.S. Department of Agriculture, Forest Service, Ozark-St. Francis National Forest intends to carry out the disposition of human remains and the associated funerary object removed from Federal or Tribal lands to the lineal descendants, Indian Tribe, or Native Hawaiian organization with priority for disposition in this notice.

**DATES:** Disposition of the human remains and the associated funerary object in this notice may occur on or after January 16, 2026. If no claim for disposition is received by December 17, 2026, the human remains and associated funerary object in this notice will become unclaimed human remains and an unclaimed associated funerary object.

**ADDRESSES:** Send written claims for disposition of the human remains and associated funerary object in this notice to Dan Olsen, Forest Supervisor, Ozark-St. Francis National Forest, 605 W Main

Street, Russellville, AR 72801, email [daniel.olsen@usda.gov](mailto:daniel.olsen@usda.gov).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Ozark-St. Francis National Forest and additional information on the human remains and associated funerary object in this notice, including the results of consultation, can be found in the related records. The National Park Service is not responsible for the identifications in this notice.

#### Abstract of Information Available

Based on the information available, human remains representing, at least, six individuals have been reasonably identified.

In 1993, the remains of one individual were removed from site 3BA0270, in Baxter County, Arkansas. No associated funerary objects were identified.

In 1994, one funerary object was removed from site 3NW0623 in Newton County, Arkansas. This funerary object, a large stone, is associated with human remains that were previously reported in a Notice of Inventory Completion published in the **Federal Register** on November 16, 2012 (77 FR 68822).

Additional human remains belonging to these previously reported individuals were also located will be returned under the terms of that notice.

In 1993, the remains of one individual were recovered during an Archaeological Resources Protection Act investigation in Pope County, Arkansas at site 3PP0402. No associated funerary objects were identified.

In 1996, the remains of one individual were removed from site 3PP0450 in Pope County, Arkansas. No associated funerary objects were identified.

In 1999, a minimum of one individual was removed from site 3SE0364 in Searcy County, Arkansas. No associated funerary objects were identified.

In 1993, a minimum of one individual was removed from site 3ST0068 in Stone County, Arkansas. No associated funerary objects were identified.

In 2002, the remains of one individual were removed from site 3ST0194 in Stone County, Arkansas. No associated funerary objects were identified.

#### Determinations

The Ozark-St. Francis National Forest has determined that:

- The human remains described in this notice represent the physical remains of six individuals of Native American ancestry.
- The one object described in this notice is reasonably believed to have
