

Abstract of Information Available

Based on the available information, human remains representing, at least, one individual has been reasonably identified. No associated funerary objects are present. The remains of the individual were found in the Warren Anatomical Museum collection.

Documentation suggests the remains were collected in Oceania, likely the Hawaiian Islands, and that the individual was donated to the Museum by John Collins Warren II (1842–1927) as part of the Jonathan Mason Warren collection in 1883.

Cultural Affiliation

Based on the available information and the results of consultation, cultural affiliation is reasonably identified by the information available about the human remains described in this notice.

Determinations

The PMAE and CHoM have determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice, the Hui Iwi Kuamo'o, and the Office of Hawaiian Affairs.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains and associated funerary objects in this notice may occur on or after January 20, 2026.

ADDRESSES: Send written requests for repatriation of the human remains and associated funerary objects in this notice to Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, email jpickering@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Human remains representing, at least, 53 individuals have been identified from sites in Greene, Jefferson, Knox, and unknown counties in Eastern Tennessee as collected by Rev. E.O. Dunning as part of PMAE Expeditions

between 1869 and 1871. The 236 associated funerary objects are 236 lots consisting of ceramic items, lithic or stone items, shell or shell items, faunal remains or faunal items, pigments, and other natural materials. The sites represented include “Devil’s Gap Cave Tombs”; “Mound, Eastern Area”; Lick Creek Mound or Cooper Mound (40Gn2); McBee Mound or Loy Site (40Je10); and Brakebill Mound (40Kn55).

Human remains representing at least one individual have been identified from the “French Broad River, above Knoxville” in Knox County, Tennessee, as collected by F.A. Stratton and purchased from Stratton by the PMAE in or around 1876. No associated funerary objects are present.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of 54 individuals of Native American ancestry.
- The 236 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Cherokee Nation; Eastern Band of Cherokee Indians; The Muscogee (Creek) Nation; and the United Keetoowah Band of Cherokee Indians in Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES.** Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this

notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.
