Abstract of Information Available

A total of five cultural items have been requested for repatriation. From 1967 to 1969, four lots of unassociated funerary objects were removed from sites 38OC1, 38PN2, 38PN4, and 38PN34 in Oconee and Pickens counties, SC during the Keowee-Toxaway Reservoir Survey conducted by SCIAA for Duke Power Company of Charlotte, NC. In 1984, one lot of unassociated funerary objects was removed from site 38OC186 in Oconee County, SC by Dr. Chester B. DePratter of SCIAA, Dr. Mark Williams of the University of Georgia, Athens, GA, and Dr. Marvin T. Smith of Garrow and Associates, Atlanta, GA. The expedition was jointly funded by the LAMAR Institute of Watkinsville, GA and SCIAA. The unassociated funerary objects are culturally affiliated with Cherokee Nation, the Eastern Band of Cherokee Indians, and United Keetoowah Band of Cherokee Indians in Oklahoma. SCIAA is unaware of the presence of any potentially hazardous substances used to treat any of the cultural items.

Determinations

The SCIAA has determined that:

- The five unassociated funerary objects described in this notice are reasonably believed to have been placed intentionally with or near human remains, and are connected, either at the time of death or later as part of the death rite or ceremony of a Native American culture according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or

Native Hawaiian organization. The unassociated funerary objects have been identified by a preponderance of the evidence as related to human remains, specific individuals, or families, or removed from a specific burial site or burial area of an individual or individuals with cultural affiliation to an Indian Tribe or Native Hawaiian organization.

- There is a connection between the cultural items described in this notice and the Cherokee Nation; Eastern Band of Cherokee Indians; and the United Keetoowah Band of Cherokee Indians in Oklahoma.

If competing requests for repatriation are received, the SCIAA must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The SCIAA is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
