Notice of Intended Repatriation: Fine Arts Museums of San Francisco, San Francisco, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Fine Arts Museums of San Francisco (FAMSF) intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the cultural items in this notice may occur on or after January 20, 2026.

ADDRESSES: Send additional, written requests for repatriation of the cultural items in this notice to Christina Hellmich, Fine Arts Museums of San Francisco, 50 Hagiwara Tea Garden Drive, San Francisco, CA 94118, email chellmich@famsf.org.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of FAMSF and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

A total of two cultural items have been requested for repatriation. The two objects claimed as cultural patrimony

are two baskets identified in museum records as “Kern County, California.” FAMSF accessioned a bottleneck basket (Acc. 21466) on May 10, 1902 as a gift from “Mr. Ed. McLeod.” FAMSF accessioned a cup-shaped feather basket (Acc. 46767) on December 31, 1919 as a gift from Mrs. A.G. Boggs. These baskets have been physically on loan to the California Department of Parks and Recreation (CDPR) since 1958, but are under the control of FAMSF. At some point after 1958, the bottleneck basket (Acc. 21466) was noted as Kawaiisu, Shoshonean, and Paiute in CDPR collections records. At some point after 1958, the cup-shaped feather basket (Acc. 46767) was noted as Yuki (?), Huchnom (?) in CDPR collections records. There is no known documentation of the presence of any potentially hazardous substances used to treat any of the cultural items.

Determinations

In consultation with affiliated Tribal representatives, FAMSF has determined that:

- The two objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a connection between the cultural items described in this notice and the Tejon Indian Tribe.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, FAMSF must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. FAMSF is responsible for sending a copy of this notice to the Indian Tribes and Native

Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.

Notice of Inventory Completion: Center for the History of Medicine in the Francis A. Countway Library of Medicine, Harvard University, Boston, MA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) and Warren Anatomical Museum collection in the Center for the History of Medicine, Francis A. Countway Library of Medicine, Harvard University (CHoM) have completed an inventory of human remains and have determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the human remains in this notice may occur on or after January 20, 2026.

ADDRESSES: Send written requests for repatriation of the human remains in this notice to Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, email jpickering@fas.harvard.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE and CHoM, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the available information, human remains representing, at least, one individual has been reasonably identified. No associated funerary objects are present. The remains of the individual were found in the Warren Anatomical Museum collection.

Documentation suggests the remains were collected in Oceania, likely the Hawaiian Islands, and that the individual was donated to the Museum by John Collins Warren II (1842–1927) as part of the Jonathan Mason Warren collection in 1883.

Cultural Affiliation

Based on the available information and the results of consultation, cultural affiliation is reasonably identified by the information available about the human remains described in this notice.

Determinations

The PMAE and CHoM have determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- There is a reasonable connection between the human remains described in this notice, the Hui Iwi Kuamo'o, and the Office of Hawaiian Affairs.

Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Abstract of Information Available

Human remains representing, at least, 53 individuals have been identified from sites in Greene, Jefferson, Knox, and unknown counties in Eastern Tennessee as collected by Rev. E.O. Dunning as part of PMAE Expeditions

between 1869 and 1871. The 236 associated funerary objects are 236 lots consisting of ceramic items, lithic or stone items, shell or shell items, faunal remains or faunal items, pigments, and other natural materials. The sites represented include “Devil’s Gap Cave Tombs”; “Mound, Eastern Area”; Lick Creek Mound or Cooper Mound (40Gn2); McBee Mound or Loy Site (40Je10); and Brakebill Mound (40Kn55).

Human remains representing at least one individual have been identified from the “French Broad River, above Knoxville” in Knox County, Tennessee, as collected by F.A. Stratton and purchased from Stratton by the PMAE in or around 1876. No associated funerary objects are present.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of 54 individuals of Native American ancestry.
- The 236 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Cherokee Nation; Eastern Band of Cherokee Indians; The Muscogee (Creek) Nation; and the United Keetoowah Band of Cherokee Indians in Oklahoma.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.
