Notice of Inventory Completion: Sonoma State University, Rohnert Park, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Sonoma State University has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the associated funerary objects in this notice may occur on or after January 20, 2026.

ADDRESSES: Send written requests for repatriation of the associated funerary objects in this notice to Kirsten Twork, Sonoma State University, 1801 East Cotati Avenue, Rohnert Park, CA 94928, email tworkk@sonoma.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Sonoma State University, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Based on the information available, 74 lots of associated funerary objects have been identified.

A total of 13 lots of associated funerary objects were removed from CA–PLA–38 located near Roseville in Placer county California. There was no information found explaining why the cultural items were removed from the site. The cultural items are obsidian and have been housed at Sonoma State University since their submission.

A total of 61 lots of associated funerary objects were removed from

CA–PLA–728/H located near Applegate in Placer county California. There was no information found explaining why the cultural items were removed from the site. The cultural items are obsidian and have been housed at Sonoma State University since their submission.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the associated funerary objects described in this notice.

Determinations

The Sonoma State University has determined that:

- The 74 lots of objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the associated funerary objects described in this notice and the United Auburn Indian Community of the Auburn Rancheria of California.

Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the associated funerary objects in this notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the Sonoma State University must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary objects are considered a single request and not competing requests. The Sonoma State University is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: December 3, 2025.

Abstract of Information Available

Human remains representing, at least, 17 individuals have been identified. No associated funerary objects are present. In 1968, human remains were removed from the Brainerd Ossuary (20AE61) in Valley Township, Allegan County as part of an archaeological field school. In May 2011, WMU consulted with the Pokagon Band of Potawatomi Indians, the Match-e-be-nash-she-wish Band of Pottawatomi Indians, and the Saginaw
