

notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

*Authority:* Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: November 25, 2025.

#### Notice of Inventory Completion: Peabody Museum of Archaeology and Ethnology, Harvard University, Cambridge, MA

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Peabody Museum of Archaeology and Ethnology, Harvard University (PMAE) has completed an inventory of human remains and has determined that there is a cultural affiliation between the human remains and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the human remains in this notice may occur on or after January 20, 2026.

**ADDRESSES:** Send written requests for repatriation of the human remains in this notice to Jane Pickering, Peabody Museum of Archaeology and Ethnology, Harvard University, 11 Divinity Avenue, Cambridge, MA 02138, email [jpickering@fas.harvard.edu](mailto:jpickering@fas.harvard.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the PMAE, and additional information on the

determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

Human remains representing, at least, two individuals have been identified from the Khustenete Site (Oregon State Site #35CU157) in Curry Co., OR. No associated funerary objects are present. These two individuals may have arrived at the PMAE in 1948 via William S. Laughlin.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains described in this notice.

#### Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- There is a connection between the human remains described in this notice and the Confederated Tribes of Siletz Indians of Oregon; Elk Valley Rancheria, California and the Tolowa Dee-ni' Nation.

#### Requests for Repatriation

Written requests for repatriation of the human remains in this notice must be sent to the authorized representative identified in this notice under

**ADDRESSES.** Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains in this notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the PMAE must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the human remains are considered a single request and not competing requests. The PMAE is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

*Authority:* Native American Graves Protection and Repatriation Act, 25

U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: December 2, 2025.

#### Notice of Intended Repatriation: Fine Arts Center at Colorado College, Colorado Springs, CO

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Fine Arts Center at Colorado College intends to repatriate certain cultural items that meet the definition of objects of cultural patrimony and that have a cultural affiliation with the Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the cultural items in this notice may occur on or after January 20, 2026.

**ADDRESSES:** Send additional, written requests for repatriation of the cultural items in this notice to Michael Christiano, Fine Arts Center at Colorado College, 30 W Dale Street, Colorado Springs, CO 80903, email [NAGPRA@coloradocollege.edu](mailto:NAGPRA@coloradocollege.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Fine Arts Center at Colorado College, and additional information on the determinations in this notice, including the results of consultation, can be found in the summary or related records. The National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

A total of two cultural items have been requested for repatriation. The two objects of cultural patrimony are baskets. The baskets (TM 1722 and TM 1725) originated from Kern County, California. The baskets were obtained by Mrs. E.G. Weimer, who transferred them to Alice Bemis Taylor, who donated them to the Taylor Museum (now the Fine Arts Center at Colorado College) in

1935. These cultural items are attributed to the Tejon Indian Tribe. The Fine Arts Center has no records of these cultural items having been treated by, or exposed to, any potentially hazardous substances.

### Determinations

The Fine Arts Center at Colorado College has determined that:

- The two objects of cultural patrimony described in this notice have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision), according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization.
- There is a connection between the cultural items described in this notice and the Tejon Indian Tribe.

### Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after January 20, 2026. If competing requests for repatriation are received, the Fine Arts Center at Colorado College must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The Fine Arts Center at Colorado College is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.

**Authority:** Native American Graves Protection and Repatriation Act, 25 U.S.C. 3004 and the implementing regulations, 43 CFR 10.9.

### Notice of Inventory Completion: David A. Fredrickson Archaeological Collections Facility at Sonoma State University, Rohnert Park, CA

**AGENCY:** National Park Service, Interior.  
**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the Sonoma State University has completed an inventory of human remains and associated funerary objects and has determined that there is a cultural affiliation between the human remains and associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the human remains and associated funerary objects in this notice may occur on or after January 20, 2026.

**ADDRESSES:** Send written requests for repatriation of the human remains and associated funerary objects in this notice to Kirsten Twork, Sonoma State University, 1801 East Cotati Avenue, Rohnert Park, CA 94928, email [tworkk@sonoma.edu](mailto:tworkk@sonoma.edu).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Sonoma State University, and additional information on the determinations in this notice, including the results of consultation, can be found in the inventory or related records. The National Park Service is not responsible for the determinations in this notice.

### Abstract of Information Available

Based on the information available, human remains representing, at least, one individual removed from CA-NAP-802 near the city of Napa, California, have been reasonably identified. A total of 425 lots of associated funerary objects are flaked stone tools and debitage, ground stone tools, faunal bone, botanical material, and shell. The collection has been housed at Sonoma State University since 1996, under the following Accession Number 96-13.

Based on the information available, one associated funerary object was removed from CA-NAP-261 near Napa, California. The cultural item is a flaked stone tool and debitage. This collection

has been housed at Sonoma State University since 1976, under the following Accession Number 76-09.

Based on the information available, human remains representing, at least, one individual removed from CA-NAP-261 near Napa, California, have been reasonably identified. A total of 12,104 lots of associated funerary objects are flaked stone tools and debitage, ground stone tools, faunal bone, shell, baked clay, and botanical remains. In 1977 the site was subject to data recovery investigations as a mitigation for the implementation of the Napa River Flood Control Project. This collection has been housed at Sonoma State University since 1977, under the following Accession Number 77-14.

Based on the information available, human remains representing, at least, two individual removed from CA-NAP-261 near Napa, California, have been reasonably identified. A total of 13 lots of associated funerary objects are unmodified faunal bone, shell, and botanical remains. This collection has been housed at Sonoma State University since 1984, under the following Accession Number 84-01.

Based on the information available, human remains representing, at least, one individual was removed from CA-NAP-14 near Napa, California, have been reasonably identified. The 13,118 lots of associated funerary objects are flaked-stone tools and debitage, groundstone, unmodified faunal bones, modified faunal bone, and shell beads. This collection has been housed at Sonoma State University since 1991, under the following Accession Number 91-04.

The Knoxville Region isolates were recorded as part of the Cultural Resources Study in the Knoxville Region study spanned 7600 acres across Lake, Napa and Yolo Counties, California. This study was conducted by the Anthropological Studies Center at the request of D'Appolonia Consulting Engineers, Inc. in April-July of 1981. The Yolo County isolates were found during intern verification work on the Napa County sites in accession number 81-06. All other Yolo County sites within the Knoxville Region have been repatriated to the Tribe as of January 2025. The eight lots of associated funerary objects are flaked-stone tools and debitage and have been housed at Sonoma State University since 1981, under the following Accession Number 81-06.

Based on the information available 30 lots of associated funerary objects were removed from CA-NAP-751 and CA-NAP-752 located in American Canyon, California. Additional information on
