#### SUPPLEMENTARY INFORMATION:

##### I. Background

On November 21, 2025, the Secretary of Commerce (Secretary) received a “Notice of Appeal” filed by BJG Properties LLC pursuant to the Coastal Zone Management Act (CZMA), 16 U.S.C. 1451 *et seq.*, and implementing regulations found at 15 CFR part 930, subpart H. The “Notice of Appeal” is taken from an objection by the New York State Department of State to a consistency certification for a pending permit application to the U.S. Army Corps of Engineers to install a dock and boat lift in Little Peconic Bay, Suffolk County, NY.

Under the CZMA, the Secretary may override the New York State Department of State’s objection on grounds that the project is consistent with the objectives or purposes of the CZMA, or otherwise necessary in the interest of national security. To make the determination that the proposed activity is “consistent with the objectives or purposes of the CZMA,” the Secretary must find that: (1) the proposed activity furthers the national interest as articulated in sections 302 or 303 of the CZMA, in a significant or substantial manner; (2) the national interest furthered by the proposed activity outweighs the activity’s adverse coastal effects, when those effects are considered separately or cumulatively; and (3) no reasonable alternative is available that would permit the proposed activity to be conducted in a manner consistent with the enforceable policies of the applicable coastal management program. 15 CFR 930.121. To make the determination that the proposed activity is “necessary in the interest of national security,” the Secretary must find that a national defense or other national security interest would be significantly impaired if the proposed activity is not permitted to go forward as proposed. 15 CFR 930.122.

##### II. Request for Public and Federal Agency Comments

We encourage the public and interested federal agencies to participate in this appeal by submitting written comments and any relevant materials supporting those comments using the

All personally identifiable information (e.g., name, address), confidential business information, or otherwise sensitive information submitted voluntarily by the sender will be publicly accessible. NOAA will accept anonymous comments (enter “N/A” in the required fields if you wish to remain anonymous).

##### III. Opportunity for Public Hearing

The Secretary may hold a public hearing on this appeal, either in response to a written request for a public hearing or upon their own initiative. You may submit a request for a public hearing using the method specified in the **ADDRESSES** section of this notice. A written request for a public hearing must include an explanation for why you believe a public hearing would be beneficial and aid the decision-maker. If a hearing is held, advance notice of the time, date, and location of the public hearing will be published in the **Federal Register**.
