Title of Collection: DCIA Aging and Compliance Data Requirements for Guaranty Agencies.

OMB Control Number: 1845-0160.

Type of Review: An extension without change of a currently approved ICR.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 275.

Total Estimated Number of Annual Burden Hours: 726.

Abstract: The Department of Education (the Department) is requesting OMB approval for an extension of the currently approved collection 1845-0160 DCIA Aging and Compliance Data Requirements for Guaranty Agencies (GAs).

The Department is required to report to the U.S. Department of the Treasury

(Treasury) the status and condition of its non-tax debt portfolio in accordance with the requirements of the Debt Collection Improvement Act of 1996 (DCIA) and the Digital Accountability and Transparency Act of 2014 (DATA Act). Receivable information is reported to Treasury via the Treasury Report on Receivables and Debt Collection Activities (previously called the TROR).

Neither the regulations or the data requirements have changed since the last extension of this ICR in 2023.

Title of Collection: Third Party Servicer Data Collection.

OMB Control Number: 1845–0130.

Type of Review: A revision of a currently approved ICR.

Respondents/Affected Public: Private Sector; Individuals and Households; State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 75.

Total Estimated Number of Annual Burden Hours: 48.

Abstract: The Department of Education (the Department) is seeking a revision of the OMB approval of the Third Party Servicer Data Form. This form collects information from third party servicers. The HEA allows

institutions of higher education to outsource aspects of their participation in Title IV programs. Any individual or entity that contracts with or performs work on behalf of an institution to administer any aspect of that institution's responsibilities required under the Title IV programs is defined as a third-party servicer. The Title IV regulations authorize the Department to provide oversight of third-party servicers, which are subject to the highest standard of care and diligence in their administration of Title IV programs. (34 CFR 668.2) The information collected through the Third-Party Servicer Data Inquiry form allows the Department to identify institutions of higher education that are failing to report or incorrectly reporting third-party servicer information; to monitor and enforce third-party servicer compliance with annual audit requirements; to identify other persons or organizations that contract with a third-party servicer to assist with any aspect of the administration of a Title IV program on behalf of the third-party servicer or its clients; and to effectively coordinate third-party servicer program review assessments.
