

expected dates of milestones, and any contingencies from the initial request letter which have been effectuated. The permitting authority shall establish the timing of regular progress reports based on the following considerations:

- (i) The estimated duration of the alternative applicability timing;
- (ii) The timeframes of various milestones, tasks, and sub-tasks;
- (iii) The number and magnitude of contingencies; and
- (iv) Any other appropriate and relevant factor.

(5) *Request letter.* A facility may submit a single initial request letter under this paragraph (q)(5) to provide factual support for circumstances

specified in § 423.18(d)(3) that would support of one or more requests for alternative dates in § 423.18(d)(1) or (2).
