Information Collection Request Title: Ryan White HIV/AIDS Program: Expenditures Reports Forms, OMB No. 0915-0390—Revision.

Abstract: HRSA administers the Ryan White HIV/AIDS Program (RWHAP) authorized under Title XXVI of the Public Health Service Act. The RWHAP Expenditures Reports allow HRSA to monitor and track the use of grant funds for compliance with statutory, program and grants requirements. Recipients funded under RWHAP Parts A, B, C, and D are required to report financial data to HRSA at the end of their grant budget period. The Expenditures Report requests information recipients already collect, including the use of RWHAP grant funds for core medical and support services; and on various program components, such as administration, planning and evaluation, and clinical quality

management. RWHAP Parts A and B recipients funded under the Ending the HIV Epidemic in the U.S. (EHE) initiative are required to report expenditures of the grant budget period in the EHE Expenditure Report. This allows HRSA to track and report progress toward meeting the EHE goals.

For this submission, HRSA proposes to extend the following reports:

- *RWHAP Part A Expenditures Report.*
- *RWHAP Part B Expenditures Report.*
- *RWHAP Part B Supplemental Expenditures Report.*
- *RWHAP Part C Expenditures Report.*
- *RWHAP Part D Expenditures Report.*
- *Ending the HIV Epidemic (EHE) Initiative Expenditures Reports.*

Need and Proposed Use of the Information: Accurate expenditure and service contract records of recipients receiving RWHAP and EHE funding are necessary for HRSA to fulfill its monitoring and oversight responsibilities.

Likely Respondents: RWHAP Part A, Part B, Part C, Part D and EHE recipients.
