Title of the Collection: Civil Rights and Conscience Complaint and Health Information Privacy, Security, and Breach Notification Complaint.

Type of Collection: Revision.

Abstract: The Office for Civil Rights (OCR) is proposing to revise OMB control number collection 0945–0002 that is expiring in December 2025, which includes two forms entitled: 1.) Health Information Privacy, Security, and Breach Notification Complaint; and 2.) Civil Rights and Conscience Complaint. This notice discusses proposed revisions to these complaint forms. The purpose of the forms is to allow OCR to continue to collect the minimum information needed from individuals filing complaints with OCR to form the basis for the initial processing of those complaints. The revisions omit certain questions to reduce the burden on the complainant, clarify terms, update statutory and regulatory authorities, and conform the forms to E.O. 14168 on “Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government” and the court order in *Texas v. Becerra*, No. 6:24–CV–211–JDK, 2024 WL 4490621, at *2 (E.D. Tex. Aug. 30, 2024) (staying nationwide the Section 1557 Final Rule definition of sex discrimination as including “sex characteristics, including intersex traits”; “pregnancy or related conditions”; “sexual orientation”; “gender identity”; and “sex stereotypes”).

The estimated burden follows:

ESTIMATED ANNUALIZED BURDEN TABLE

Written forms/electronic forms	Type of respondent	Number of respondents	Number of responses per respondent	Average burden hours per response (hours)	Wage burden	Total burden hours
Civil Rights and Conscience Complaint.	Individuals or households, Not-for-profit institutions.	15,468	1	.75	\$22.43/hr	11,601
Health Information Privacy, Security, & Breach Notification Complaint.	Individuals or households, Not-for-profit institutions.	31,985	1	.75	\$22.43/hr	23,989
Total	47,453	\$22.43/hr	35,590

OCR estimates that the average time needed to complete either complaint form is 45 minutes (.75 hours), which has not increased since the forms were last revised. Respondents to the information collection include individuals or households, or organizations. Based on examination of actual complaint levels over the past two years, OCR projects that OCR will average 15,468 civil rights related complaints per year and 31,985 privacy related complaints per year.
