SUPPLEMENTARY INFORMATION:

I. Background

On November 15, 2021 (86 FR 63051), to enhance consultation and collaboration with Tribal governments, HUD published a notice in the **Federal Register** announcing its intention to establish its first Tribal advisory committee known as the "Tribal Intergovernmental Advisory Committee" (TIAC). The notice also solicited Tribal feedback on a proposed TIAC structure and its functions. On March 31, 2022 (87 FR 18807), HUD published a notice in the **Federal Register** that announced the final structure of the TIAC and requested the submission of Tribal nominations to the TIAC. HUD selected 15 members for its inaugural TIAC, beginning in January 2023.

On April 8, 2024 (89 FR 24484), HUD published a notice in the **Federal Register** requesting submission of Tribal nominations to the TIAC for two-year terms to begin in January 2025 (replacing eight positions whose terms were set to expire at the end of December 2024).

On May 19, 2025 (90 FR 21326), HUD published a notice in the **Federal Register** requesting submission of Tribal nominations to the TIAC for two-year terms to begin in January 2026 (filling eight vacant positions).

II. The Tribal Intergovernmental Advisory Committee

Today's notice announces the membership of the TIAC starting

January 2026 (returning members as well as new members). The purpose of the TIAC is to further facilitate intergovernmental communication between HUD and Tribal leaders of federally recognized Tribes on all HUD programs, to make recommendations to HUD regarding current program regulations that may require revision, as well as suggest rulemaking methods to develop such changes, and to advise in the development of HUD's American Indian and Alaska Native (AI/AN) housing priorities. The function of TIAC is not to replace Tribal consultation, but rather to serve as a tool to help supplement it.

In making the selections for membership on the TIAC, HUD's goal was to establish a committee whose membership reflects a balanced representation of small, medium, and large Indian tribes across Indian Country. In addition to the Tribal representatives on the committee, there will be several HUD representatives, each representing various program offices, on the committee.

HUD is announcing the Tribal Committee Members in this Notice. However, each Committee Member should have an eligible Alternate in queue in case the Committee Member is unable to attend a particular committee meeting. As a reminder, the Alternate must meet the same eligibility criteria required of the selected Committee Member, specifically, that they must be either a duly elected Tribal official or Tribal employee. The Alternate cannot be a Tribally Designated Housing Entity employee. In the absence of a Committee Member, the Alternate will have the same rights, responsibilities, duties, and functions as a Committee Member during meetings. Each Committee Member has the discretion to decide who will best represent them in their absence. A Committee Member unable to attend any session must inform HUD in writing with an original signature as to whom they have selected to represent them and will specify the term. HUD will review all Alternates before a meeting to confirm that they meet the eligibility criteria for Alternates specified by HUD.

The final list of members of the TIAC is as follows:

Serving New Terms

(1) Kenneth Brink, Tribal Council Vice Chairman, Karuk Tribe, Happy Camp, California.

(2) Eugene DeCora, Council Member, Winnebago Tribe of Nebraska, Winnebago, Nebraska.
