## POSTAL SERVICE

### 39 CFR Part 111

#### Parcel Dimension Compliance

**AGENCY:** Postal Service.

**ACTION:** Proposed rule.

**SUMMARY:** The Postal Service is proposing to amend *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM) in various sections to expand the current requirement to include accurate parcel dimensions in a manifest.

**DATES:** Submit comments on or before February 9, 2026.

**ADDRESSES:** Mail or deliver written comments to the manager, Product Classification, U.S. Postal Service, 475 L'Enfant Plaza SW, Room 4446, Washington, DC 20260–5015. **FOR FURTHER INFORMATION CONTACT:** Catherine Knox at (202) 268–5636 or Garry Rodriguez at (202) 268–7281.

**SUPPLEMENTARY INFORMATION:** All submitted comments and attachments are part of the public record and subject to disclosure. Do not enclose any material in your comments that you consider to be confidential or inappropriate for public disclosure.

Currently, the Postal Service only requires mailers to include accurate parcel dimensions in a manifest (Shipping Services File (SSF) or other approved electronic documentation) when the dimensions exceed 1 cubic foot or 22 inches in length. Failure to comply with this requirement, would subject the parcel to the Dimension Noncompliance Fee.

The Postal Service is proposing to expand the current standard in the Domestic Mail Manual by requiring mailers to always include accurate dimensions (length, width, and height) for parcels included in a manifest. Dimensions would not be required for Flat Rate priced pieces or USPS Returns pieces. Failure to comply with the expanded requirement, would continue to subject the parcel to the Dimension Noncompliance Fee. This proposal would also continue to only apply to commercial Priority Mail Express, Priority Mail, USPS Ground Advantage, and Parcel Select, products.

The Postal Service is proposing to implement this change effective July 12, 2026.

Although exempt from the notice and comment requirements of the Administrative Procedure Act (5 U.S.C. 553(b), (c)) regarding proposed rulemaking by 39 U.S.C. 410(a), the Postal Service invites public comment on the proposed revisions to *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), incorporated by reference in the Code of Federal Regulations.

We will publish an appropriate amendment to 39 CFR part 111 to reflect these changes.
