Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁸ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁹ Accordingly, the deadline for these final results is now January 5, 2026.

Final Results of Sunset Reviews

Pursuant to sections 751(c)(1), 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Orders* would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average dumping margins up to 116.00 percent for South Africa, and 66.71 percent for China.

On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by 90 days.³ On June 25, 2025, Commerce extended the time limit for these preliminary results to October 21, 2025, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).⁴ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁵ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁶ On December 22, 2025, Commerce extended the time limit for these preliminary results in accordance with section 751(a)(3)(A).⁷ Accordingly, the deadline for these preliminary results is now January 5, 2026.

Scope of the Order

The products covered by the scope of the *Order* are certain steel nails from Malaysia. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.⁹

Rescission of Review, In Part

Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review of an AD order when there are no viewable entries of subject merchandise during the POR for which liquidation is suspended. Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate calculated for the review period.¹⁰ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the antidumping duty assessment rate calculated for the review period.¹¹

On December 20, 2024, we issued a memorandum to all interested parties, listing 39 companies for which we initiated this administrative review and for which there was no evidence of any suspended entries during the POR.¹² See Appendix II for a list of these companies. We invited parties to comment, and received no comments. Accordingly, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review for these 39 companies, in accordance with 19 CFR 351.213(d)(3).

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(2) of the Act. Commerce has calculated export prices in accordance with section 772(a) of the Act. Normal value is calculated in

accordance with section 773 of the Act. In addition, Commerce has relied on partial facts available under section 776(a)(1), 776 (b)(1)(A), and 776(b)(2)(D) of the Act for Region International Co., Ltd. and Region System Sdn. Bhd. (collectively, Region). In addition, Commerce has relied on total adverse facts available (AFA) under sections 776(a) and (b) of the Act for Madura Fasteners Sdn. Bhd (Madura). For a full description of the methodology underlying the preliminary results, see the Preliminary Decision Memorandum.

Rate for Non-Selected Respondents

Sections 733(d)(1)(ii) and 735(c)(5)(A) of the Act provide that in the preliminary results Commerce shall determine an estimated all-others rate for all exporters and producers not individually examined. This rate shall be an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely under section 776 of the Act.

In this administrative review, Commerce preliminarily assigned a margin based entirely on AFA to Madura. Therefore, the only rate that is not zero, *de minimis* or based entirely on facts otherwise available is the rate calculated for Region. Consequently, pursuant to our normal practice, the rate calculated for Region is also assigned as the rate for all other producers and exporters.¹³ Accordingly, the preliminary margin for non-selected respondents is 1.90 percent.¹⁴

Preliminary Results of the Review

We preliminarily determine that the following estimated weighted-average dumping margins exist for the period July 1, 2023, through June 30, 2024:

¹⁴ See Appendix III.

¹⁵ Commerce continues to find that Region International Co. Ltd. and Region System Sdn. Bhd. are collapsed as a single entity, in accordance to prior reviews. Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties in these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance.¹⁷ Pursuant to 19 CFR 351.309(c)(1)(ii), the deadline for interested parties to submit case briefs to Commerce is no later than 21 days after the date of the publication of this notice. As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.²⁰ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²¹

Final Results of Review

Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice in the **Federal Register**, unless extended, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

Upon completion of this administrative review, pursuant to section 751(a)(2)(A) of the Act, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.²⁴ If the weighted-average dumping margin for a mandatory respondent is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and the total

entered value of such sales in accordance with 19 CFR 351.212(b)(1).²⁵ If the weighted-average dumping margin is zero or *de minimis* in the final results of review, or if an importer-specific assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²⁶ For entries of subject merchandise during the POR produced by the respondents for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate companies involved in the transaction.²⁷ The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of estimated antidumping duties, where applicable.

For the listed companies in Appendix II, for which we are rescinding this administrative review, antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period of review, in accordance with 19 CFR 351.212(c)(1)(i). For the listed companies in Appendix II, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these preliminary results in the **Federal Register**.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication). The final results of this administrative review

shall be the basis for the assessment of Antidumping duties on entries of merchandise under review and for future cash deposits of estimated antidumping duties, where applicable.²⁸

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for companies subject to this review will be equal to the company-specific weighted-average dumping margin established in the final results of this administrative review; (2) for merchandise exported by a company not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the producer is, then the cash deposit rate will be the rate established in the most recently completed segment of the proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 2.66 percent, the all-others rate established in the less-than-fair-value investigation.²⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221.

Dated: January 5, 2026.
