

Postponement of Preliminary Determinations

Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a LTFV investigation within 140 days after the date on which Commerce initiated the investigation. However, section 733(c)(1)(A)(b)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 190 days after the date on which Commerce initiated the investigation if: (A) the petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On December 18, 2025, the petitioner³ submitted a timely request that Commerce postpone the preliminary determinations in these LTFV investigations.⁴ The petitioner stated that it requests postponement because “these investigations cover steel concrete reinforcing bar from multiple countries and thus require a significant amount of resources to fully investigate.”⁵ Further, the petitioner noted that Commerce has only recently received responses to the initial questionnaires in these investigations, and thus Commerce needs additional time to analyze those responses and potentially issue supplemental questionnaires.⁶

For the reasons stated above and because there are no compelling reasons to deny the request, Commerce, in accordance with section 733(c)(1)(A) of the Act, is postponing the deadline for the preliminary determinations by 50 days (*i.e.*, 190 days after the date on which these investigations were initiated). As a result, Commerce will issue its preliminary determinations no later than March 9, 2026.⁷ In accordance

with section 735(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determinations of these investigations will continue to be 75 days after the date of the preliminary determinations, unless postponed at a later date.

This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: January 5, 2026.

On July 16, 2025, Commerce received timely and complete notices of intent to participate in this review from the domestic interested parties,³ within the deadline specified in 19 CFR 351.218(d)(1)(i).⁴ U.S. Steel claims that it has interested party status within the meaning of section 771(9)(C) of the Act and 19 CFR 351.102(b)(29)(v) as a U.S. producer of the domestic like product; USOMA claims that it has interested party status within the meaning of 771(9)(E) of the Act and 19 CFR 351.102(b)(17) as a trade or business association in which all of its members produce the domestic like product in the United States.⁵

On July 31, 2025, Commerce received an adequate substantive response from the domestic interested parties, within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i).⁶ Commerce did not receive a substantive response from the Government of India, the Government of Türkiye, nor a respondent interested party to this proceeding. On August 22, 2025, Commerce notified the U.S. International Trade Commission (ITC) that it did not receive an adequate substantive response from respondent interested parties.⁷ As a result,

⁷ Commerce has twice tolled deadlines for the preliminary determinations of these investigations,

Commerce conducted expedited (120-day) sunset reviews of the *Orders*, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(B)(2) and (C)(2).

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁸ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁹ Accordingly, the

deadline for these final results is now January 5, 2026.
