Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

SUMMARY: The U.S. Department of Commerce (Commerce) preliminary determines that Hankook Tire & Technology Co. Ltd. (Hankook) and Nexen Tire Corporation (Nexen) made sales of passenger vehicle and light truck tires (passenger tires) from the Republic of Korea (Korea) at prices below normal value (NV) during the period of review (POR), July 1, 2023, through June 30, 2024. We invite interested parties to comment on these preliminary results of review.

DATES: Applicable January 8, 2026.

FOR FURTHER INFORMATION CONTACT: Charles DeFilippo and Jun Jack Zhao, AD/CVD Operations, Office VII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3797 and (202) 482-1396, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 19, 2021, Commerce published in the *Federal Register* the antidumping duty order on passenger tires from Korea.¹ On July 1, 2024, Commerce published in the *Federal Register* a notice of opportunity to request an administrative review of the Order.² On August 14, 2024, based on timely requests for review and in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the Order.³ On December 9, 2024, Commerce tolled the deadlines of certain antidumping and countervailing duty proceedings by 90

days.⁴ On June 26, 2025, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results by 120 days until October 29, 2025.⁵

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁶ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁷ Accordingly, the deadline for these preliminary results is now January 5, 2026.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁸ A list of the topics included in the Preliminary Decision Memorandum is included as the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The products covered by the Order are passenger tires from Korea. For a full description of the scope of the Order, see the Preliminary Decision Memorandum.

accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

Rate for Non-Examined Companies

The Act and Commerce’s regulations do not address the establishment of a weighted-average dumping margin to be determined for companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a less-than-fair-value investigation, for guidance when determining the weighted-average dumping margin for

companies which were not selected for individual examination in an administrative review.

Section 735(c)(5)(A) of the Act provides that Commerce will base the all-others rate on the weighted average of the estimated weighted-average dumping margins calculated for the individually examined respondents, excluding rates that are zero, *de minimis*, or based entirely on facts available. Where the estimated weighted-average dumping margin for each of the individually examined companies is zero, *de minimis*, or based entirely on facts available, section 735(c)(5)(B) of the Act provides that Commerce may use “any reasonable method to establish the estimated all-others rate for exporters and producers not individually investigated, including averaging the estimated weighted-average dumping margins determined

for the exporters and producers individually investigated.”

In this review, the preliminary weighted-average dumping margins for Hankook and Nexen are not zero, *de minimis*, or based entirely on facts otherwise available. Therefore, we have preliminarily assigned a weighted-average dumping margin to the non-examined company, Kumho Tire Co., Inc., that is equal to the weighted average of the weighted-average dumping margins calculated for Hankook and Nexen, consistent with the guidance in section 735(c)(5)(A) of the Act.⁹

Preliminary Results of Review

As a result of this review, Commerce preliminarily determines that the following estimated weighted-average dumping margins exist for the period July 1, 2023, through June 30, 2024:

Producer/exporter	Weighted-average dumping margin (percent)
Hankook Tire & Technology Co., Ltd., Hankook Tire Mfg Co. Ltd., and Hankook Tire Co., Ltd. ¹⁰	9.10
Nexen Tire Corporation	5.57
Kumho Tire Co., Inc	7.34

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹³ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements

pertaining to the service of documents in 19 CFR 351.303(f).¹⁴

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. including the results of its analysis of the issues raised in any written briefs, no later than 120 days after the date of publication of this notice in the **Federal Register**, unless extended, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b). If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rate on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1).¹⁶ If the weighted-average dumping margin is zero or *de minimis* in the final results of review, or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.¹⁷

For entries of subject merchandise during the POR produced by an individually examined respondent for which it did not know its merchandise was destined for the United States, we intend to instruct CBP to liquidate such entries at the all-others rate (i.e., 21.74 percent)¹⁸ if there is no rate for the intermediate company(ies) involved in the transaction.¹⁹

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication). final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of estimated antidumping duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for the exporters listed above will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, then no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair value investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 21.74 percent, the all-others rate established in the less-than-fair value investigation.²⁰ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4) and 19 CFR 351.213(h)(2).
