As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon in making its final results.

## Public Comment

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce no later than seven days after the date of the last verification report issued in this administrative review. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>14</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>15</sup> All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>16</sup> Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>17</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of

issues to be discussed. Oral presentations at the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, Commerce will inform parties of the scheduled date for the hearing.<sup>18</sup>

## Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts calculated in the final results of this review for the respective companies listed above, on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. If the rate calculated in the final results is zero or *de minimis*, no cash deposit will be required on shipments of the subject merchandise entered or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

For all non-reviewed firms, CBP will continue to collect cash deposits of estimated countervailing duties at the all-others rate (*i.e.*, 3.85 percent)<sup>19</sup> or the most recent company-specific rate applicable to the company, as appropriate. These cash deposit instructions, when imposed, shall remain in effect until further notice.

## Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producers/exporters shown above. Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. For the company listed above for which this review is rescinded with these preliminary results, we will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2023, through December 31, 2023, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue rescission instructions to CBP no earlier than 35 days after the date of publication of this rescission in the **Federal Register**.

For the companies remaining in the review, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

## Final Results of Administrative Review

Unless extended, we intend to issue the final results of this administrative review, which will include the results of our analysis of the issues raised in the case briefs, within 120 days after the date of publication of these preliminary results in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

## Notification to Interested Parties

The preliminary results and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

<sup>14</sup> See 19 CFR 351.309(d); see also *Administrative Protective Order, Service, and Other Procedures in Antidumping and Countervailing Duty Proceedings*, 88 FR 67069, 67077 (September 29, 2023) (*APO and Service Procedures*).

**SUMMARY:** The U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) orders on utility scale wind towers from Canada, the Socialist Republic of Vietnam (Vietnam), Indonesia, and the Republic of Korea (Korea) would be likely to lead to continuation or recurrence of dumping, at the levels indicated in the “Final Results of Sunset Reviews” section of this notice.

**DATES:** Applicable January 8, 2026.

**FOR FURTHER INFORMATION CONTACT:** David De Falco, Trade Agreements Policy and Negotiations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: 202-482-2178.

**SUPPLEMENTARY INFORMATION:**

**Background**

On August 26, 2020, Commerce published the *Orders* in the **Federal Register**.<sup>1</sup> On July 1, 2025, Commerce published the notice of initiation of these first sunset reviews of the *Orders*, pursuant to section 751(c) of the Act.<sup>2</sup>

On July 16, 2025, Commerce received timely and complete notices of intent to participate in the sunset review for the domestic interested party within the deadline specified in the 19 CFR 351.218(d)(1)(i).<sup>3</sup> The domestic interested party claimed the interested party status within the meaning of section 771(9)(F) of the Act as a coalition of U.S. producers of the domestic like product.<sup>4</sup> On July 21, 2025, Commerce notified the U.S. International Trade Commission (ITC) that it had received a notice of intent to participate from the domestic interested parties.<sup>5</sup>

On July 30, 2025, pursuant to 19 CFR 351.218(d)(3)(i), domestic interested parties filed a timely and adequate

substantive response.<sup>6</sup> Commerce did not receive a substantive response from any respondent interested party. On August 22, 2025, Commerce notified the ITC that it did not receive substantive response from any respondent interested parties.<sup>7</sup> As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting expedited (120-day) sunset reviews of the *Orders*.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.<sup>8</sup> Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.<sup>9</sup> Accordingly, the deadline for these final results is now January 5, 2026.

**Scope of the Orders**

The product covered by these *Orders* is utility scale wind towers from Canada, Vietnam, Indonesia, and Korea. For the full description of the scope of the *Orders*, see the Issues and Decisions Memorandum.<sup>10</sup>

**Analysis of Comments Received**

A complete discussion of all issues raised in this sunset review, including the likelihood of continuation or recurrence of dumping in the event of revocation of the *Orders* and the magnitude of the margins likely to prevail if the *Orders* were to be revoked, is provided in the accompanying Issues and Decision Memorandum.<sup>11</sup> A list of

the topics discussed in the Issues and Decision Memorandum is attached in the Appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be directly accessed at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Final Results of Sunset Reviews**

Pursuant to sections 751(c)(1), 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Orders* would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average dumping margins up to 4.94 percent for Canada, 65.96 percent for Vietnam, 8.53 percent for Indonesia, and 5.41 percent for Korea.

**Notification Regarding Administrative Protective Orders**

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return or destruction of APO materials, or conversion to judicial protective, orders is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

**Notification to Interested Parties**

We are issuing and publishing these final results in accordance with sections 751(c), 752(c), and 777(i)(1) of the Act, and 19 CFR 351.218 and 19 CFR 351.221(c)(5)(ii).

On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by ninety days.<sup>4</sup> On June 17, 2025, we extended the deadline for the preliminary results of this review until October 29, 2025.<sup>5</sup> Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.<sup>6</sup> Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.<sup>7</sup> Accordingly, the current deadline for the final results of this review is January 5, 2026.

For a detailed description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>8</sup> A list of topics discussed in the Preliminary Decision Memorandum is included as an appendix I to this notice. description of the scope of the *Order*, see the Preliminary Decision Memorandum.

**Methodology**

Commerce is conducting this review in accordance with sections 751(a)(1) and (2) of the Act. We calculated constructed export price for both mandatory respondents in accordance with section 772(b) of the Act. We calculated NV in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

**Rate for Non-Examined Companies**

The statute and Commerce's regulations do not address the establishment of a rate to be applied to companies not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an antidumping duty investigation, for guidance when calculating the weighted-average dumping margin for companies which were not selected for individual examination in an administrative review.

Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero and *de minimis* margins, and any margins determined entirely on the basis of facts available.” Where the rates for the individually examined companies are all zero, *de minimis*, or determined entirely using facts available, section 735(c)(5)(B) of the Act instructs that Commerce “may use any reasonable method to establish the estimated all-others rate for exporters and producers not individually investigated, including averaging the estimated weighted average dumping margins determined for the exporters and producers individually investigated.” One such reasonable method is to weight average the zero and *de minimis* rates, and the rates determined entirely pursuant to facts available. In fact, the SAA states that this is the “expected” method in such circumstances.<sup>9</sup>

In this review, we have preliminarily calculated a weighted-average dumping
