SUPPLEMENTARY INFORMATION:

Background

On July 1, 2002, Commerce published the antidumping duty order on polyethylene terephthalate film, sheet, and strip (PET film) from India.¹ On August 14, 2024, in accordance with 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of: (1) Chiripal Poly Films Limited (Chiripal); (2) Cosmo;² (3) Ester Industries Limited

(Ester); (4) Garware Hi-Tech Films Limited (Garware); (5) Jindal Poly Films Ltd. and Jindal Poly Films Ltd. (India) (Jindal); (6) JPFL Films Private Ltd. (JPFL); (7) Polyplex Corporation Limited (Polyplex); (8) SRF Limited (SRF); and (9) Vacmet India Limited (Vacmet).

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), Commerce extended the deadline for the preliminary results until October 29, 2025.³ Due to a lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in this administrative proceedings by 47 days.⁴ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁵ Accordingly, the deadline for these preliminary results is now January 5, 2026.

For a detailed description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁶ A list of topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is available via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise subject to the *Order* is PET film. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in

part, if a party who requested the review withdraws the request within 90 days of the date of publication of the notice of initiation. All requests for an administrative review of: (1) Chiripal; (2) Ester; (3) Garware; (4) Jindal; (5) JPFL; (6) Polyplex; (7) SRF; and (8) Vacmet were timely withdrawn.⁷ As a result, in accordance with 19 CFR 351.213(d)(1), we are rescinding this administrative review with respect to these eight companies.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Act. Because Commerce preliminarily finds that Cosmo failed to cooperate to the best of its ability in responding to our requests for information, Commerce relied on facts available, with adverse inferences (AFA), in determining this company’s dumping margin, consistent with section 776 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of the Review

We preliminarily determine the following estimated weighted-average dumping margin exists for the period July 1, 2023, through June 30, 2024:

Exporter/producer	Weighted-average dumping margin (percent)
Cosmo First Limited	24.14
