Title of Collection: Annual State
Application Under Part B of the
Individuals with Disabilities Act as
Amended in 2004.

OMB Control Number: 1820-0030.

Type of Review: A revision of a
currently approved ICR.

Respondents/Affected Public: State,
Local, and Tribal Governments.

*Total Estimated Number of Annual
Responses:* 60.

*Total Estimated Number of Annual
Burden Hours:* 840.

Abstract: The Individuals with
Disabilities Education Act (IDEA),
signed on December 3, 2004, became
Public Law 108-446. In accordance with
20 U.S.C. 1412(a), a State is eligible for
assistance under Part B for a fiscal year
if the State submits a plan that provides
assurances to the Secretary that the
State has in effect policies and
procedures to ensure that the State
meets each of the conditions found in
20 U.S.C. 1412. Information Collection
1820-0030 is being revised to remove
the Significant Disproportionality data
collection under IDEA section 618(d)
and 34 CFR 300.646 and 300.647 from
Section V of the Annual State
Application under Part B of the IDEA.
The Department believes that removal of
the data collection related to Significant
Disproportionality will reduce the
burden on respondents when
completing the Annual State
Application under Part B of IDEA.

The remaining sections of the Annual
State Application under Part B of IDEA
are being extended so that States can
provide assurances that they either have
or do not have in effect policies and
procedures to meet the eligibility
requirements of Part B of the Act as
found in Public Law 108-446.
Information Collection 1820-0030
corresponds with 34 CFR 300.100-176;
300.199; 300.640-645; and 300.705.
These sections include the requirement
that the Secretary and local educational
agencies located in the State be notified
of any State-imposed rule, regulation, or
policy that is not required by this title
and Federal regulations.
