DEPARTMENT OF LABOR**Agency Information Collection
Activities; Submission for OMB
Review; Comment Request; Model
Employer Children’s Health Insurance
Program Notice****ACTION:** Notice of availability; request
for comments.**SUMMARY:** The Department of Labor (DOL) is submitting this Employee Benefits Security Administration (EBSA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.**DATES:** The OMB will consider all written comments that the agency receives on or before February 12, 2026.**ADDRESSES:** Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.**FOR FURTHER INFORMATION CONTACT:** Michael Howell by telephone at 202–693–6782, or by email at DOL_PRA_PUBLIC@dol.gov.**SUPPLEMENTARY INFORMATION:** On February 4, 2009, President Obama signed the Children’s Health Insurance Program Reauthorization Act of 2009 (CHIPRA, Pub. L. 111–3). Under ERISA section 701(f)(3)(B)(i)(I), Public Health Service Act (PHS) section 2701(f)(3)(B)(i)(I), and section 9801(f)(3)(B)(i)(I) of the Internal Revenue Code, as added by Children’s Health Insurance Program Reauthorization Act of 2009 (CHIPRA), an employer that maintains a group health plan in a State that provides medical assistance under a State Medicaid plan under title XIX of the Social Security Act (SSA), or child health assistance under a State child health plan under title XXI of the SSA, in the form of premium assistance for the purchase of coverage under a group health plan, is required to make certain

disclosures. Specifically, the employer is required to notify each employee of potential opportunities currently available in the State in which the employee resides for premium assistance under Medicaid and CHIP for health coverage of the employee or the employee's dependents. These notices are referred to as "Employer CHIP Notices."

ERISA section 701(f)(3)(B)(i)(II) requires the Department of Labor to provide employers with model language for the Employer CHIP Notices to enable them to timely comply with this requirement, which is referred to as the "Model Employer CHIP Notice." The model language is required to include information on how an employee may contact the State in which the employee resides for additional information regarding potential opportunities for premium assistance, including how to apply for such assistance. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on July 11, 2025 (90 FR 30984).

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency's estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

MILLENNIUM CHALLENGE CORPORATION

[MCC FR 26–01]

Proposed Agency Information Collection Request; Comment Request; Restricted Data Use Application; Submission to the Office of Management and Budget for Review and Approval

AGENCY: Millennium Challenge Corporation.

ACTION: 30-Day notice; request for comments; submission to the Office of Management and Budget for review and approval.

SUMMARY: The Millennium Challenge Corporation (MCC) will submit the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice and invites the public to comment on the proposed collection. Public comments were previously requested via the **Federal Register** on September 9, 2025 during a 60-day comment period (90 FR 43480, September 9, 2025). This notice allows for an additional 30 days for public comment.

DATES: Comments are due by February 12, 2026.

ADDRESSES: This information collection request may be viewed at <https://www.reginfo.gov>. Follow the instructions to view Millennium Challenge Corporation collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the

following website: <https://www.reginfo.gov/public/do/PRAMain>.

Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering the title of the collection.

FOR FURTHER INFORMATION CONTACT: Requests for additional information regarding the collection listed in this notice, including requests for copies of the proposed collection instrument and supporting documentation, may be directed to Christopher Ice, Chief Information Officer, MCC, pra@mcc.gov, (202) 521–2652.

SUPPLEMENTARY INFORMATION: *Title of Information Collection:* MCC Restricted Data Use Application.

OMB Control Number: 0414–0001.

Type of Review: Request to reinstate a previously approved information collection.

Affected Public: The likely respondents are expected to be researchers, including university and college faculty and students, who will use this data for statistical analysis.

Estimated Number of Respondents: Approximately 10 new respondents are expected annually to access MCC-funded restricted data.

Frequency: One application for each restricted data package for which access is requested by a respondent.

Estimated Average Burden per Response: 90 minutes.

Estimated Total Annual Burden: 15 hours total.

Respondents' Obligation: Voluntary reply.

Abstract: MCC is committed to providing public access to high-value data collected as part of the development, implementation, and evaluation of MCC-funded assistance programs, while being equally committed to protecting the confidentiality of individuals and organizations from which the data are collected. To achieve these twin aims, MCC publishes de-identified public-use files of microdata on its website through the MCC Evidence Platform. In addition, MCC makes restricted data files available in cases where the de-identification efforts for public use files would significantly impair the analytic potential of the data, or where the data contain sensitive information that cannot be shared as a public-use file. However, access to restricted data will only be granted to users who meet eligibility criteria and agree to terms of access established by MCC, including agreeing to follow strict requirements for maintaining data confidentiality.
