SUPPLEMENTARY INFORMATION:

Title: 2027 Census of Agriculture.

OMB Control Number: 0535–0226.

Expiration Date of Previous Approval: September 30, 2024.

Type of Request: Intent to Seek Reinstatement of an Information Collection.

Abstract: The Census of Agriculture is the primary source of statistics concerning the nation's agricultural industry. It provides the only basis of consistent, comparable data for each county, county equivalent, and state in the United States and its outlying insular areas. The census is conducted every 5 years, the last one being for the reference year of 2022. The 2027 Census of Agriculture will again cover all agricultural operations in the 50 states, Puerto Rico, Guam, the U.S. Virgin Islands, the Commonwealth of Northern Mariana Islands (CNMI), and American Samoa which meet the census definition for a farm. For the 50 states, Guam, and CNMI, a farm is any place that produced and sold, or normally would produce and sell, \$1,000 or more of agricultural products during the census reference year. For Puerto Rico and the U.S. Virgin Islands it is any place with \$500 in production and sales. American Samoa is not limited by a threshold for production or sales and includes items grown for home consumption.

Data collection will primarily be conducted through a combination of mail, internet, and follow-up by phone or in-person for selected nonrespondents. In certain locations, data will be collected exclusively through direct enumeration methods.

Authority: The Census of Agriculture is required by law under the Census of Agriculture Act of 1997 (Pub. L. 105–113, codified at 7 U.S.C. 2204g), which mandates that the Secretary of Agriculture conduct the census every five years. Response to the screening form, the Census of Agriculture, and any related special study surveys is

mandatory. Special study surveys will be submitted under separate OMB approvals.

Individually identifiable data collected under this authority are governed by Section 1770 of the Food Security Act of 1985 as amended, 7 U.S.C. 2276, which requires USDA to afford strict confidentiality to non-aggregated data provided by respondents. This Notice is submitted in accordance with the Paperwork Reduction Act of 1995, Public Law 104–13 (44 U.S.C. 3501, *et seq.*) and Office of Management and Budget regulations at 5 CFR part 1320.

All NASS employees and NASS contractors must also fully comply with all provisions of the Confidential Information Protection and Statistical Efficiency Act (CIPSEA) of 2018, Title III of Public Law 115–435, codified in 44 U.S.C. Ch. 35. CIPSEA supports NASS's pledge of confidentiality to all respondents and facilitates the agency's efforts to reduce burden by supporting statistical activities of collaborative agencies through designation of NASS agents, subject to the limitations and penalties described in CIPSEA.

The law guarantees farm operators that their individual information will be kept confidential. NASS uses the information only for statistical purposes and publishes only tabulated total data. These data are used by Congress when developing or changing farm programs. Many national and state programs are designed or allocated based on census data, *i.e.*, soil conservation projects, funds for cooperative extension programs, and research funding. Private industry uses the data to provide more effective production and distribution systems for the agricultural community.

Estimate of Burden: The estimated public reporting burden for this information collection varies depending on the form type. On average, it may range from a few minutes for brief responses to nearly an hour for more detailed forms. Additional time is included to review instructions, cover letters, and reminder materials.

Respondents: Farm and ranch operators.

Estimated Number of Respondents: 4,050,000.

Estimated Total Annual Burden on Respondents: 2,900,000 hours.

Comments: Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information including the validity of

the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, technological or other forms of information technology collection methods.

All responses to this notice will become a matter of public record and be summarized in the request for OMB approval.

Signed at Washington, DC, December 11, 2025.

Jody R. McDaniel,

Associate Administrator.

Welded Stainless Steel Pressure Pipe From the Socialist Republic of Vietnam: Preliminary Results and Partial Rescission of the Antidumping Duty Administrative Review; 2023–2024

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily determines that the Vietnam-wide entity made sales of welded stainless steel pressure pipe (WSSP) from the Socialist Republic of Vietnam (Vietnam) at less than normal value (NV) during the period of review (POR) July 1, 2023, through June 30, 2024. Additionally, Commerce intends to rescind the review, in part, with respect to five companies. Interested parties are invited to comment on the preliminary results of this review.

DATES: Applicable January 14, 2026.

FOR FURTHER INFORMATION CONTACT: Luke Caruso, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–2081.

SUPPLEMENTARY INFORMATION:

Background

On July 21, 2014, Commerce published the *Order* on WSSP from

Vietnam.¹ On August 14, 2024, pursuant to a timely request for review by the Felker Brothers Corporation and Primus Pipe & Tube, Inc. (collectively, the petitioners), Commerce published the notice of initiation of the ninth administrative review of the *Order*.² Commerce initiated this administrative review covering the following six exporters of subject merchandise: (1) Sonha International Corporation (Sonha International); (2) Mejonson Industrial Vietnam Co., Ltd. (Mejonson); (3) Sonha SSP Vietnam Sole Member Co. Limited (Sonha SSP); (4) Vinasteel Production Joint Stock Company (Vinasteel); (5) Vinlong Stainless Steel (Vietnam) Co., Ltd. (Vinlong); and (6) the Vietnam-wide Entity.³ On September 17, 2024, the petitioners withdrew their review requests for all exporters except for Mejonson, Vinasteel, and the Vietnam-wide entity.⁴

On December 9, 2024, Commerce tolled the deadline to issue the preliminary results in this administrative review by 90 days.⁵ On June 16, 2025, we extended the deadline for the preliminary results of this administrative review until October 29, 2025.⁶ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁷ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁸ Accordingly, the deadline for the preliminary results is now January 5, 2026.

For a complete description of the events that followed the initiation of

this administrative review, see the Preliminary Decision Memorandum.⁹ A list of topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be found at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by this *Order* is circular welded austenitic stainless pressure pipe, not greater than 14 inches in outside diameter, from Vietnam. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.

Partial Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of the publication of the notice of initiation. We received the petitioners' timely withdrawal of the request for review, which stated that all requests for review of Sonha International, Sonha SSP, and Vinlong were fully withdrawn and that Commerce should, therefore, rescind this review with respect to these three companies.¹⁰ Accordingly, we find that all requests for review of Sonha International, Sonha SSP, and Vinlong were timely withdrawn within 90 days of the publication of the *Initiation Notice*, and we are rescinding this review with respect to these three companies, in accordance with 19 CFR 351.213(d)(1).

As noted above, we initiated this review with respect to six entities and the petitioners timely withdrew their request for a review of three of these entities, *i.e.*, Sonha International, Sonha SSP, and Vinlong.¹¹ During the course of the review, we selected one mandatory respondent, *i.e.*, the Vietnam-wide entity. Consequently, there are two companies upon which a review was requested, not withdrawn,

and which were not selected for individual examination.

Pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review when there are no reviewable suspended entries. Based on our analysis of the U.S. Customs and Border Protection (CBP) information, the two remaining companies listed in the *Initiation Notice* (*i.e.*, Mejonson and Vinasteel), for which the review request was not withdrawn, had no entries of subject merchandise during the POR.¹² On January 30, 2025, Commerce notified interested parties of our intent to rescind this administrative review, including these two companies.¹³ No interested party commented on our intent to rescind this administrative review with respect to Mejonson and Vinasteel. As such, Commerce is rescinding this review with respect to Mejonson and Vinasteel in accordance with 19 CFR 351.213(d)(3).

The Vietnam-Wide Entity

Under Commerce's policy regarding the conditional review of the Vietnam-wide entity,¹⁴ the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. The petitioners¹⁵ requested a review of the Vietnam-wide entity in the instant review; therefore, the Vietnam-wide entity is under review.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). Pursuant to section 776(a) and (b) of the Act, Commerce has preliminarily assigned a weighted average dumping margin to the Vietnam-wide entity based upon total facts otherwise available with adverse inferences. For a full description of the methodology underlying the preliminary results of this review, see the Preliminary Decision Memorandum.

Preliminary Results of Review

Disclosure and Public Comment

Normally, Commerce discloses to parties to the proceeding the calculations performed in connection with a preliminary results of review within five days of any public announcement of the preliminary results or, if there is no public announcement, within five days of the date of publication of the notice of preliminary results of review in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce preliminarily applied a weighted-average dumping margin based on total adverse facts available (AFA) to the individually examined entity in this administrative review, in accordance with section 776 of the Act, and assigned an AFA rate equal to the highest margin alleged in the underlying petition, as listed in the *Investigation Initiation*,¹⁶ there are no calculations to disclose.

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of publication of this notice.¹⁷ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁸ Parties who submit case briefs or rebuttal briefs in this review must submit: (1) a statement of the issue; and (2) a table of authorities.¹⁹ All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public,

executive summary for each issue raised in their briefs.²⁰ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²¹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the requesting party's name, address, and telephone number; (2) the number of individuals associated with the requesting party that will attend the hearing and whether any of those individuals is a foreign national; and (3) a list of the issues the party intends to discuss at the hearing. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice in the **Federal Register**.

Assessment Rates

Upon issuance of the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review, in accordance with 19 CFR 351.212(b)(1). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has

expired (*i.e.*, within 90 days of publication).

If Commerce continues to base the Vietnam-wide entity's weighted-average dumping margin upon total facts otherwise available, with adverse inferences, in the final results of this review, then Commerce will instruct CBP to assess antidumping duties at the rate determined in the final results of review the Vietnam-wide entity.

However, if the Vietnam-wide entity's final weighted-average dumping margin is not based on total facts otherwise available, with adverse inferences, Commerce intends to calculate the entity rate by dividing the total amount of dumping for reviewed sales to U.S. customers by the total quantity of sales by the Vietnam-wide entity. Commerce will calculate an estimated *ad valorem* entity-wide assessment rate to determine whether the per-unit assessment rate is *de minimis*; however, it will instruct CBP to apply the per-unit assessment rate.²²

Pursuant to a refinement to Commerce's assessment practice, for sales that were not reported in the U.S. sales database submitted by a respondent individually examined during this review, Commerce will instruct CBP to liquidate the entry of such merchandise at the dumping assessment rate assigned to the Vietnam-wide entity.²³

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the POR, in accordance with 19 CFR 351.212(c)(1)(i). For the companies rescinded from review, Commerce intends to issue assessment instructions to CBP 35 days after the publication of this notice in the **Federal Register**.

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated antidumping duties, where applicable.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this

administrative review for all shipments of the subject merchandise from Vietnam entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of administrative review in the **Federal Register**, as provided for by section 751(a)(2)(C) of the Act: (1) for the companies that have a separate rate, the cash deposit rate will be that rate established in the final results of this review (except, if the rate is *de minimis*, then a cash deposit rate of zero will be required); (2) for previously investigated or reviewed Vietnamese and non-Vietnamese exporters for which a review was not requested and that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Vietnamese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the Vietnam-wide entity (*i.e.*, 90.8 percent); and (4) for all non-Vietnamese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the Vietnamese exporter that supplied that non-Vietnamese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Final Results of Review

Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in case and rebuttal briefs, within 120 days of these preliminary results of review in the **Federal Register**, pursuant to 751(a)(3)(A) of the Act.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with

sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: January 5, 2026.
