

The Exchange believes the proposed FINRA Annual System Processing Fee and the Continuing Education Regulatory Element Session Fee do not impose an undue burden on competition because the fees apply equally to all individuals and firms required to report information in the CRD system and comply with continuing education. The proposal will result in the same regulatory fees being charged to all members required to report information to CRD and comply with continuing education and for services performed by FINRA regardless of whether such members are FINRA members. Further, the Exchange will not be collecting or retaining these fees, therefore, the Exchange will not be in a position to apply them in an inequitable or unfairly discriminatory manner.
