Overview of This Information Collection

(1) *Type of Information Collection:* Reinstatement, With Change, of a Previously Approved Collection for Which Approval Has Expired.

(2) *Title of the Form/Collection:* Public Charge Bond.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* I–945; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* *Primary:* Individual or households. USCIS uses Form I–945 to ensure that the conditions of the bond are fully articulated and met when USCIS accepts the public charge bond posting. Without the form, and given the complexity of the Federal and State laws governing bonds and surety bond submissions, USCIS would not be able to determine the sufficiency of the bond and USCIS or the U.S. Department of State would not be able to finalize the adjudication of the related immigration benefit requests (adjustment of status and immigrant visa applications).

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I–945 is 10 and the estimated hour burden per response is 0.92 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The estimated total annual

hour burden associated with this collection is 9.2 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$0.

Dated: January 16, 2026.
