On December 18, 2025, Complainant filed an enforcement complaint against Vivace requesting that the Commission institute an enforcement proceeding under Commission Rule 210.75 (19 CFR 210.75) to investigate alleged violations by Vivace of the Commission’s remedial orders. Complainant alleges that Vivace continues to import into the United States, sell for importation, or sell within the United States after importation, products that infringe claim 20 of the ’478 patent and claims 1, 4–9 and 11 of the ’301 patent, in violation of the remedial orders.

Having examined the enforcement complaint and the supporting exhibits, the Commission has determined that the complaint complies with the requirements for institution of a formal enforcement proceeding. Accordingly, the Commission has determined to institute a formal enforcement proceeding, pursuant to Commission Rule 210.75(a) (19 CFR 210.75(a)), to determine whether violations of the remedial orders have occurred and to determine what, if any, enforcement measures are appropriate. The named respondent is Vivace. OUII is also named as a party to the enforcement proceeding.

In the Order issued concurrently herewith, the Commission has delegated this enforcement proceeding to the Chief Administrative Law Judge (“ALJ”) for designation of a presiding ALJ to conduct any necessary proceedings, issue an Enforcement Initial Determination, and make a recommendation on appropriate enforcement measures, if any.

The Commission’s vote for this determination took place on January 20, 2026.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part

Determinations

On the basis of the record¹ developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of fresh mushrooms from Canada, provided for in subheading 0709.51.01 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value (“LTFV”) and imports of the subject merchandise from Canada that are alleged to be subsidized by the government of Canada.²

² 91 FR 663 and 91 FR 668 (January 8, 2026).

Commencement of Final Phase Investigations

Pursuant to section 207.18 of the Commission's rules, the Commission also gives notice of the commencement of the final phase of its investigations. The Commission will issue a final phase notice of scheduling, which will be published in the **Federal Register** as provided in § 207.21 of the Commission's rules, upon notice from the U.S. Department of Commerce (“Commerce”) of affirmative preliminary determinations in the investigations under §§ 703(b) or 733(b) of the Act, or, if the preliminary determinations are negative, upon notice of affirmative final determinations in those investigations under §§ 705(a) or 735(a) of the Act. Parties that filed entries of appearance in the preliminary phase of the investigations need not enter a separate appearance for the final phase of the investigations.
