

streamlined process to all cross transactions on the trading floor of a national securities exchange.

For the foregoing reasons, the Exchange believes that the proposal is consistent with the Act.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange notes that the proposed changes are not designed to address any competitive issues, but rather to amend the Exchange's rules relating to the handling of cross transactions on the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period *up to 90 days* (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (A) by order approve or disapprove the proposed rule change, or
- (B) institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change, is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include file number SR-NYSE-2026-02 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.

All submissions should refer to file number SR-NYSE-2026-02. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<https://www.sec.gov/rules/sro.shtml>). Copies of the filing will be available for inspection and copying at the principal office of the Exchange. Do not include personal identifiable information in submissions; you should submit only information that you wish to make available publicly. We may redact in part or withhold entirely from publication submitted material that is obscene or subject to copyright protection. All submissions should refer to file number SR-NYSE-2026-02 and should be submitted on or before February 13, 2026.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹²

Sherry R. Haywood,
Assistant Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0748]

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Ombudsman Matter Management System (OMMS) Submission Form

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. § 3501 *et seq.*), the Securities and Exchange Commission (SEC or "Commission") is soliciting comments on the proposed collection of information.

The Ombudsman Matter Management System ("OMMS") is an electronic data collection system for the receipt, collection and analysis of inquiries, complaints, and recommendations from retail investors directed to the SEC Ombudsman ("Ombuds") and the Office of the Investor Advocate. Section 4(g)(8) of the Securities Exchange Act of 1934 (Exchange Act), 15 U.S.C. 78d(g)(8) requires the SEC Ombuds to (i) act as a liaison between the Commission and

any retail investor in resolving problems that retail investors may have with the Commission or with self-regulatory organizations ("SROs"); (ii) review and make recommendations regarding policies and procedures to encourage persons to present questions to the Investor Advocate regarding compliance with the securities laws; and (iii) establish safeguards to maintain the confidentiality of communications between the persons described in clause (ii) and the Ombuds. In addition, Section 4(g)(8) of the Securities Exchange Act of 1934 (Exchange Act), 15 U.S.C. 78d(g)(8) requires the Ombuds to submit a semi-annual report to the Investor Advocate describing the activities and evaluating the effectiveness of the Ombuds during the preceding year.

Each year, the SEC's Office of the Investor Advocate, Office of the Ombuds receives over 2,500 contacts from investors who have complaints or questions about the SEC or any of the self-regulatory organizations that it oversees. To make it easier for the public to contact the Ombuds, the Ombuds created an electronic form, the OMMS Submission Form, that provides drop down options to choose from in order to categorize the investor's complaint or question, and may also provide the investor with automated information about their issue. The OMMS Submission Form asks investors to provide information concerning, among other things, their names, how they can be reached, the names of the individuals or entities involved, the nature of their complaint or tip, what documents they can provide, and what, if any, actions they have taken. Use of the OMMS Submission Form is voluntary. Absent the forms, the public still has several ways to contact the Ombuds, including telephone, letters, and email. Investors can access the OMMS Submission Form through the Ombuds web page at the web address <https://www.sec.gov/ombuds> or directly at the web address <https://omms.sec.gov>.

The dual purpose of the OMMS Submission Form is to make it easier for the public to contact the agency with complaints, questions, tips, or other feedback and to streamline the workflow of Ombuds staff that record, process, and respond to investor contacts. Investors who submit complaints, ask questions, or provide tips do so voluntarily. Although the OMMS Submission Form provides a structured format for incoming investor correspondence, the Commission does not require that investors use any particular form or format when

¹² 17 CFR 200.30-3(a)(12).

contacting the Ombuds. Investors who choose not to use the OMMS Submission Form will receive the same level of service as those who do.

The Ombuds receives approximately 1,500 contacts each year through the OMMS Submission Form. The Ombuds uses the information that investors supply on the OMMS Submission Form to review and process the contact (which may, in turn, involve responding to questions, processing complaints, or, as appropriate, referring matters to enforcement or examinations for potential investigations), to maintain a record of contacts, to track the volume of investor complaints, and to analyze trends.

The staff of the Commission estimates that the total reporting burden for using the OMMS Submission Form is 750 hours. The calculation of this estimate depends on the number of investors who use the forms each year and the estimated time it takes to complete the forms: 1,500 respondents \times 30 minutes = 750 burden hours.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC's estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by March 24, 2026. There will be a second opportunity to comment on this SEC request following the **Federal Register** publishing a 30-Day Submission Notice.

Dated: January 20, 2026.

Sherry R. Haywood,
Assistant Secretary.

BILLING CODE 8011-01-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-104630; File No. SR-C2-2026-002]

Self-Regulatory Organizations; Cboe C2 Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Rule 1.1 (Definitions) To Add New Designation “L” to the Definition of “Capacity”

January 20, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 5, 2026, Cboe C2 Exchange, Inc. (the “Exchange” or “C2”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe C2 Exchange, Inc. (“C2” or the “Exchange”) is filing with the Securities and Exchange Commission (“Commission” or “SEC”) a proposed rule change to amend Rule 1.1 (Definitions) to add new designation “L” to the definition of “Capacity”. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Commission's website (<https://www.sec.gov/rules/sro.shtml>), the Exchange's website (https://www.cboe.com/us/options/regulation/rule_filings/bzx/), and at the principal office of the Exchange.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The

Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 1.1 (Definitions) to add a new capacity designation code “L” to the definition of “Capacity.”

Currently, Rule 1.1 defines “Capacity” as the capacity in which a User submits an order, which the User specifies by applying the corresponding code to the order. The rule currently includes seven capacity codes: B (broker-dealer), C (Public Customer), F (OCC clearing member firm proprietary), J (joint back office), M (Market-Maker), N (market-maker on another options exchange), and U (Professional). The Exchange now proposes to add capacity code “L,” which will be designated “For the account of a non-Trading Permit Holder affiliate of a Clearing Trading Permit Holder as defined and for the purposes described in the Cboe C2 Options Fees Schedule.” This new capacity designation will allow the Exchange to identify and apply appropriate fees to orders submitted by non-Trading Permit Holder affiliates of Clearing Trading Permit Holders, consistent with the fee structure established in the Exchange's fee schedule.⁵

By adopting this capacity designation, C2 will align its capacity codes with those available on Cboe Options, providing consistency between the two exchanges and facilitating operational efficiency for market participants that trade on both platforms.⁶

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁷ Specifically, the Exchange believes the proposed rule change is consistent with the Section

⁵ The Exchange notes that no change to the C2 Options Fees Schedule is necessary, as the existing non-customer, non-Market-Maker capacity already encompasses non-Trading Permit Holder affiliates of Clearing Trading Permit Holders. See Cboe C2 Options Exchange Fee Schedule.

⁶ The Exchange notes that its FIX specification already provides for this capacity designation; the proposed rule change formalizes the definition in the Exchange's rulebook. See [US_Options_FIX_Specification.pdf](#).
