

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to Defense Health Agency, 7700 Arlington Blvd., Falls Church, VA 22042, Amanda Grifka, 703-681-1771.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Women, Infants, and Children Overseas Program (WIC Overseas) Eligibility Application; OMB Control Number 0720-0030.

Needs and Uses: The information collection requirement is necessary for individuals to apply for certification and periodic recertification to receive WIC Overseas benefits.

Affected Public: Individuals or households.

Annual Burden Hours: 7,275.

Number of Respondents: 14,550.

Responses per Respondent: 2.

Annual Responses: 29,100.

Average Burden per Response: 15 minutes.

Frequency: On occasion.

Dated: January 20, 2026.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 6001-FR-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DOD-2026-HA-0103]

Proposed Collection; Comment Request

AGENCY: The Office of the Assistant Secretary of Defense for Health Affairs (OASD(HA)), Department of Defense (DoD).

ACTION: 60-Day information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Defense Health Agency (DHA) announces a proposed public information collection and seeks public

comment on the provisions thereof. Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by March 24, 2026.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Director of Administration and Management, Privacy, Civil Liberties, and Transparency Directorate, Regulatory Division, 4800 Mark Center Drive, Mailbox #24, Suite 05F16, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to Defense Health Agency, 7700 Arlington Blvd., Falls Church, VA 22042, Amanda Grifka, 703-681-1771.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Active Duty Dental Program (ADDP) Claim Form; OMB Control Number 0720-0053.

Needs and Uses: The information collection is necessary to obtain and record the dental readiness of Service Members using the Active Duty Dental Program (ADDP) and at the same time submit the claim for the dental procedures provided so that claims can be processed and reimbursement made to the provider. Many Service Members are not located near a military dental treatment facility and receive their dental care in the private sector.

Affected Public: Businesses or other for-profit; Individuals or households.

Annual Burden Hours: 75,000.

Number of Respondents: 75,000.

Responses per Respondent: 4.

Annual Responses: 300,000.

Average Burden per Response: 15 minutes.

Frequency: On occasion.

Dated: January 20, 2026.

Aaron T. Siegel,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

BILLING CODE 6001-FR-P

DEPARTMENT OF ENERGY

[GDO Docket No. EA-370-C]

Application for Renewal of Authorization To Export Electric Energy; Vitol Inc.

AGENCY: Grid Deployment Office, Department of Energy.

ACTION: Notice of application.

SUMMARY: Vitol Inc. (the Applicant or Vitol) has applied for renewed authorization to transmit electric energy from the United States to Canada pursuant to the Federal Power Act.

DATES: Comments, protests, or motions to intervene must be submitted on or before February 23, 2026.

ADDRESSES: Comments, protests, motions to intervene, or requests for more information should be addressed by electronic mail to Electricity.Exports@hq.doe.gov.

FOR FURTHER INFORMATION CONTACT: Marina Fennel, (240) 702-6156, Electricity.Exports@hq.doe.gov.

SUPPLEMENTARY INFORMATION: The United States Department of Energy (DOE) regulates electricity exports from the United States to foreign countries in accordance with section 202(e) of the Federal Power Act (FPA) (16 U.S.C. 824a(e)) and regulations thereunder (10 CFR 205.300 *et seq.*). Sections 301(b) and 402(f) of the DOE Organization Act (42 U.S.C. 7151(b) and 7172(f)) transferred this regulatory authority, previously exercised by the now-defunct Federal Power Commission, to DOE.

Section 202(e) of the FPA provides that an entity which seeks to export electricity must obtain an order from DOE authorizing that export (16 U.S.C. 824a(e)). On April 10, 2023, the authority to issue such orders was delegated to the DOE's Grid Deployment Office (GDO) by Delegation Order No.

S1–DEL–S3–2023 and Redelegation Order No. S3–DEL–GD1–2023.¹

On June 30, 2025, Vitol filed an application with DOE (Application or App.) for renewal of their export authority for an additional five-year term. App. at 2.

According to the Application, Vitol is a “power marketer and dealer of other energy products” and “has received blanket authority from the Federal Energy Regulatory Commission to sell wholesale energy, capacity and/or ancillary services at market-based rates[.]” *Id.* at 3. Vitol is a Delaware corporation with its principal place of business in Houston, Texas. *Id.* at 4. The Applicant states it is a wholly owned direct subsidiary of Vitol US Holding Co, which is a direct, wholly-owned subsidiary of Euromin Inc. *Id.* at 3. The Applicant further states that Euromin Inc. is a wholly-owned subsidiary of the privately held Dutch company Vitol Holding B.V. *Id.*

The Applicant represents that its energy exports would be “surplus to the needs of the relevant system, and the exportation of the energy would not impair the adequacy of electric power supply with the United States[.]” App. at 5. The Applicant further states that “the requested authorization would not impede or tend to impede regional coordination of electric utility planning or operation. Applicant’s export transactions will be completed using the relevant procedures and/or market structures and coordinated with all relevant parties as required pursuant to the applicable market rules.” *Id.* at 6.

The existing international transmission facilities to be utilized by the Applicant have been previously authorized by Presidential permits issued pursuant to Executive Order 10485, as amended, and are appropriate for open access transmission by third parties. *See* App. at Exhibit C.

Procedural Matters: Any person desiring to be heard in this proceeding should file a comment or protest to the Application at Electricity.Exports@hq.doe.gov. Protests should be filed in accordance with Rule 211 of FERC’s Rules of Practice and Procedure (18 CFR 385.211). Any person desiring to become a party to this proceeding should file a motion to intervene at Electricity.Exports@hq.doe.gov in accordance with FERC Rule 214 (18 CFR 385.214).

Comments and other filings concerning Vitol Inc.’s Application

¹ As stated in Redelegation Order No. S3–DEL–GD1–2023, nothing in the Order precludes the Secretary or the Under Secretary (for Infrastructure) from exercising any of the authority delegated by the Order.

should be clearly marked with GDO Docket No. EA–370–C. Additional copies are to be provided directly to Averill H. Conn, Vitol Inc., 2925 Richmond Avenue, Ste. 1100, Houston, TX 77098–3133, acn@vitol.com, Casey Khan, Keturah A. Brown, 1000 Louisiana Street, Suite 5900, Houston, TX 77002, ckhan@sidley.com, keturah.brown@sidley.com.

A final decision will be made on the requested authorization after the environmental impacts have been evaluated pursuant to DOE’s National Environmental Policy Act Implementing Procedures, including 10 CFR part 1021, and after DOE evaluates whether the proposed action will have an adverse impact on the sufficiency of supply or reliability of the United States electric power supply system.

Copies of this Application will be made available, upon request, by accessing the program website at www.energy.gov/gdo/pending-applications-0 or by emailing Electricity.Exports@hq.doe.gov.

Signing Authority

This document of the Department of Energy was signed on January 12, 2026, by Chris Wright, Secretary of Energy, U.S. Department of Energy. That document with the original signature and date is maintained by DOE. For administrative purposes only, and in compliance with requirements of the Office of the Federal Register, the undersigned DOE Federal Register Liaison Officer has been authorized to sign and submit the document in electronic format for publication, as an official document of the Department of Energy. This administrative process in no way alters the legal effect of this document upon publication in the **Federal Register**.

Signed in Washington, DC, on January 21, 2026.

Jennifer Hartzell,

*Alternate Federal Register Liaison Officer,
U.S. Department of Energy.*

BILLING CODE 6450–01–P

DEPARTMENT OF ENERGY

[GDO Docket No. EA–527]

Application for Authorization To Export Electric Energy; Electric Power Markets USA, LLC

AGENCY: Grid Deployment Office, Department of Energy.

ACTION: Notice of application.

SUMMARY: Electric Power Markets USA, LLC (the Applicant or EPM) has applied

for authorization to transmit electric energy from the United States to Mexico pursuant to the Federal Power Act.

DATES: Comments, protests, or motions to intervene must be submitted on or before February 23, 2026.

ADDRESSES: Comments, protests, motions to intervene, or requests for more information should be addressed by electronic mail to Electricity.Exports@hq.doe.gov.

FOR FURTHER INFORMATION CONTACT:

Marina Fennel, (240) 702–6156, Electricity.Exports@hq.doe.gov.

SUPPLEMENTARY INFORMATION: The United States Department of Energy (DOE) regulates electricity exports from the United States to foreign countries in accordance with section 202(e) of the Federal Power Act (FPA) (16 U.S.C. 824a(e)) and regulations thereunder (10 CFR 205.300 *et seq.*). Sections 301(b) and 402(f) of the DOE Organization Act (42 U.S.C. 7151(b) and 7172(f)) transferred this regulatory authority, previously exercised by the now-defunct Federal Power Commission, to DOE.

Section 202(e) of the FPA provides that an entity which seeks to export electricity must obtain an order from DOE authorizing that export (16 U.S.C. 824a(e)). On April 10, 2023, the authority to issue such orders was delegated to the DOE’s Grid Deployment Office (GDO) under Redelegation Order No. S3–DEL–GD1–2023.

On July 30, 2025, EPM filed an application (Application or App.) for authorization to transmit electric energy from the United States to Mexico for a term of five years. App. at 1.

According to the Application, EPM is a power marketer that participates in the Electric Reliability Council of Texas (ERCOT) market. App. at 1. EPM states that its principal place of business is in [San Antonio] Texas and is a wholly owned subsidiary of EPWM Panama, S.A. *Id.* at 1–2. EPM represents that it was granted authority to sell “energy, capacity, and ancillary services at market-based rates” under a market-based rate tariff. *Id.* Attachment 2.

The Applicant represents that it “will purchase the electricity that it may export . . . through negotiated agreements that have been voluntarily executed by the selling parties after considering their own need for any such electricity.” App. at 3. EPM thus asserts the “proposed electricity exports will not impair or tend to impede the sufficiency of electric power supplies in the United States or the regional coordination of electric utility planning or operations.” *Id.*
