**SUPPLEMENTARY INFORMATION:**

**Form Description:** The VETS USERRA/VP/VEOA Claim Form, VETS USERRA/VP/VEOA Form 1010 (VETS-1010) is used to file complaints with the DOL VETS under either the Uniformed Services Employment and Reemployment Rights Act (USERRA) or the laws and regulations related to Veterans' Preference (VP) or the Veterans' Employment Opportunities Act (VEOA) in Federal employment. On October 13, 1994, the Uniformed Services Employment and Reemployment Rights Act (USERRA), Public Law 103-353, 108 Stat. 3150 was signed into law. The purpose of USERRA is: (1) to minimize disruption to the lives of persons who perform service in the uniformed services (including the National Guard and Reserves), as well as to their employers, their fellow employees, and their communities, by providing for prompt reemployment of such persons upon completion of such service; (2) to encourage individuals to participate in uniformed service by eliminating and minimizing the disadvantages to civilian careers and employment which can result from such service; and (3) to prohibit discrimination in employment and acts of reprisal against persons because of their obligations in the uniformed services, prior service, intention to join the uniformed services, filing of a USERRA claim, seeking assistance concerning an alleged USERRA violation, testifying in a proceeding, or otherwise assisting in an investigation of a USERRA claim. The Veterans Employment Opportunities Act (VEOA) of 1998, Public Law 105-339, 12 Stat. 3182, contained in Title 5 U.S.C. 3330a-3330c, authorizes the Secretary of Labor to provide assistance to preference eligible individuals who believe their rights under the veterans' preference laws have been violated, and to investigate claims filed by those individuals. The purpose of VP and VEOA is: (1) to provide preference for certain veterans over others in Federal hiring from competitive lists of applicants; (2) to allow access to Federal job opportunities to veterans that might

otherwise be closed to the public; and (3) to provide preference eligible veterans with preference over others in retention during reductions in force (RIF) in Federal agencies.

**Purpose of Request:** DOL seeks PRA authorization to extend this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number.
