**II. Background**

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an

existing collection of information to OMB for review entitled, "Operators' Licenses." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on September 3, 2025, 90 FR 42623.

1. *The title of the information collection:* Operators' Licenses.
2. *OMB approval number:* 3150–0018.
3. *Type of submission:* Revision.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* On occasion.
6. *Who will be required or asked to respond:* Holders of, and applicants for, facility (*i.e.*, nuclear power and nonpower research and test reactor) operating licenses and individual operator licensees.
7. *The estimated number of annual responses:* 444 (350 reporting responses + 94 recordkeepers).
8. *The estimated number of annual respondents:* 94.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 171,299 (149,618 reporting + 21,681 recordkeeping).
10. *Abstract:* Part 55 of title 10 of the *Code of Federal Regulations* (10 CFR), "Operators' Licenses," specifies information and data to be provided by applicants and facility licensees so that the NRC may make determinations concerning the licensing and requalification of operators for nuclear reactors, as necessary to promote public health and safety. The reporting and recordkeeping requirements contained in 10 CFR part 55 are mandatory for the affected facility licensees and applicants.

Dated: January 21, 2026.

**PEACE CORPS****Privacy Act of 1974; System of Records**

**AGENCY:** Peace Corps.

**ACTION:** Notice of a modified system of records.

**SUMMARY:** As required by the Privacy Act of 1974 and the OMB Circular A–108 Federal Agency Responsibilities for Review, Reporting, and Publication under the Privacy Act (December 23, 2016) and Circular A–130, *Managing Information as a Strategic Resource*, the Peace Corps is publishing notice of a modification of the Peace Corps systems of records notices for the Peace Corps systems of records listed in Table 1 below. Pursuant to OMB Memorandum M–25–32, *Preventing Improper Payments and Protecting Privacy Through Do Not Pay* (August 20, 2025), and OMB Circular A–136, *Financial Reporting Requirements—Revised* (July 14, 2025), this Notice amends the Peace Corps General Routine Use List to ensure that the agency can more easily collaborate with the U.S. Department of the Treasury (Department of Treasury) to take action to defend against financial fraud and prevent improper payments.

**DATES:** This modified system of records notice will become applicable following the end of the public comment period on February 25, 2026.

**ADDRESSES:** Send written comments, identified by the docket number and title, to the Peace Corps, ATTN: James Olin, FOIA/Privacy Act Officer, 1275

**SUPPLEMENTARY INFORMATION:** On March 25, 2025, President Trump issued Executive Order (E.O.) 14249, *Protecting America’s Bank Account Against Fraud, Waste, and Abuse*, which requires executive branch agencies to take action to defend against financial fraud and prevent improper payments in collaboration with the Department of the Treasury, the Federal Government’s largest financial payment manager. On August 20, 2025, OMB also issued Memorandum M–25–32, *“Preventing Improper Payments and Protecting Privacy Through Do Not Pay,”* to the heads of all executive departments and agencies. Specifically, OMB Memorandum M–25–32 requires all Senior Agency Officials for Privacy to ensure that their agency’s system of records notices include a routine use for the disclosure of information to the Department of the Treasury, when

relevant and necessary for identifying, preventing, or recouping improper payments by reviewing payment and award eligibility through the Do Not Pay Working System, to the extent permissible by law. This Notice provides official notice to the public that the agency has added Routine Use O to the Peace Corps’ General Routine Use list of systems of records to comply with OMB Memorandum M–25–32. Routine Use O applies specifically to SORNs PC–1, PC–9, P–22 and PC–23, respectively (see Table 1 below). This new routine use will help to ensure that the agency can share data with the Treasury Department’s Do Not Pay (DNP) system to verify eligibility and prevent suspected fraud or improper payments and helps protect privacy by integrating privacy safeguards into the DNP initiative.
